

WEEKEND READINGS

**Third Sunday of Easter
Tercer Domingo de Pascua**

The message of today's Scripture readings is that followers of Jesus should maintain contact with their risen Lord through prayer, the Eucharist, and the Bible. The readings also remind us that our belief in Jesus' presence in the consecrated Bread and Wine should help us to understand better his presence in the Bible and in the believing and worshipping community. We are called to know God, but this involves our entire person. Reflect on how clearly you understand the purpose of the life of Christ and your duty to be a witness to these mysteries of faith to others. Each moment of the day, we make a choice between people and things, and we are reminded to prioritize relationships over material possessions.
