

Hanover Impact Report

South Shore Community Action Council (SSCAC) works to eliminate poverty on the South Shore by coordinating, strengthening, and supplementing community efforts to empower individuals and families so they can live in decency and with dignity, realize their full potential, and participate to the extent of their capabilities in all that our communities have to offer. Through our 2023 Community Needs Assessment Survey, low-income Hanover residents identified the ability to pay heat and utility bills, affordable housing, and access to affordable food as their three most critical needs. In addition to providing services to residents of Hanover to address those needs and more, SSCAC operated as an economic conduit, bringing private, local, state, and federal funding to Hanover and the South Shore.

Making a Difference for Hanover Residents

SSCAC SERVED 265 HANOVER RESIDENTS IN 2024

Struggling to make ends meet with the high cost of household basics, low- and moderate-income individuals and families are cutting back on prescriptions and food to pay for less “discretionary” expenses such as rent, mortgage, utilities, and transportation. SSCAC and our community partners are rising to the challenge and made a powerful difference in the lives of thousands of South Shore residents in the past year. We hosted a month-long March Mania food drive tournament that collected over 16,000 pounds of food. Our Transportation program secured additional funding to expand its service reach so greater numbers of older adults and individuals with disabilities accessed the healthcare and services they need. We prevented homelessness for 29 people and utility shut-off for 1,659 people. And we fostered a love of learning through early education for 1,278 children. On behalf of the thousands of children, seniors, and families whose lives we touch each year, we remain ever-grateful to our dedicated community partners who support our mission to ensure everyone in our communities is safe, warm, and healthy.
