9) NEW BUSINESS/ACTION ITEMS

9.1. Canada Post's free distribution of library books

[motion introduced by Vicki Whitmell on December 10, 2025]

Moved By: Choose an item.

Seconded By:

THAT The Village of Sundridge Council expresses its concerns with the amendment to the Canada Post Corporations Act within Bill C-15 that could result in the disappearance of a reduced rate of postage for library materials lent by a library to a borrower, including by means of an interlibrary loan,

AND THAT Interlibrary loans are an essential part of how libraries operate and they provide access to material for the millions of library users in Canada.

AND THAT as a small rural library, the Sundridge Strong Union Public Library depends on loans from other libraries to supplement its collection and relies on Canada Post to deliver those materials at a reduced rate.

AND FURTHER THAT if Canada Post is allowed to increase the postal rate that supports this service without oversight from Parliament or the Government of Canada, there could be a devastating effect, putting a strain on already tight library budgets and threatening the ability of libraries to offer this essential service that ensures access, equity and literacy for all.

NOW THEREFORE, BE IT RESOLVED THAT, The Village of Sundridge Council encourages other municipal councils to contact their local MP and the Honourable Joël Lightbound, Minister of Government Transformation, Public Works and Procurement to strongly urge the government to ensure that Canada Post continues to provide a library postal rate so that library services remain accessible for all of Canada through interlibrary loans.

Chief Administrative Officer's Report

December 2025

Mission Statement

To foster healthier communities by economically providing caring human services that empower and enable the people we serve to improve their quality of life.

OMSSA Policy Conference (Toronto, ON. December 2-4, 2025)

From December 2-4th, I was pleased to attend the OMSSA 2025 Policy Conference alongside our Director of Income Support & Stability, and Director of Women's Services. This year's conference, coinciding with OMSSA's 75th anniversary, provided a timely forum to explore evolving social and economic pressures on Ontario's social assistance and human services systems.

We were especially proud to participate in and support the launch of OMSSA's 2026–2029 Strategic Plan. Our involvement underscores both our commitment to system-wide collaboration and our dedication to shaping policies that strengthen income support and stability, women's services, housing services, and children's services across the province. The insights gained and the relationships reinforced at the conference will inform our strategic planning and service delivery as we move into 2026.

(Pictured: Aaron Stauch, OMSSA Executive Director launches the 2026-2029 Strategic Plan at the OMSSA Policy Conference in Toronto.

We would also like to congratulate Henry Wall, past CEO of the Kenora District Services Board, who was recognized at the conference with the Patti Moore Human Services Integration Award and honoured for his outstanding service as President of OMSSA's Board. This is an achievement we proudly celebrate alongside our Northern partners!

Housing & Homelessness Plan Update

The Housing Operations and Service Management department is updating the District's Housing and Homelessness Plan, along with developing a Housing Needs Assessment. Consultations will begin in January 2026 through surveys, focus groups, interviews, and discussions with those with lived experience. This plan helps us understand what type of housing people are in need of, what supports are working well, and where improvements are needed across the district. This update will look at understanding the current and future housing needs, identify gaps in supports for people experiencing homelessness and affordability concerns, strengthening partnerships between service providers, and plan for housing growth over the next decade. The final plan is due to the Ministry of Municipal Affairs and Housing by May 29, 2026. VINK Consulting will lead us through this process. Board and Leadership engagement will be essential as the process moves forward.

Early Childhood Educators Professional Learning Event

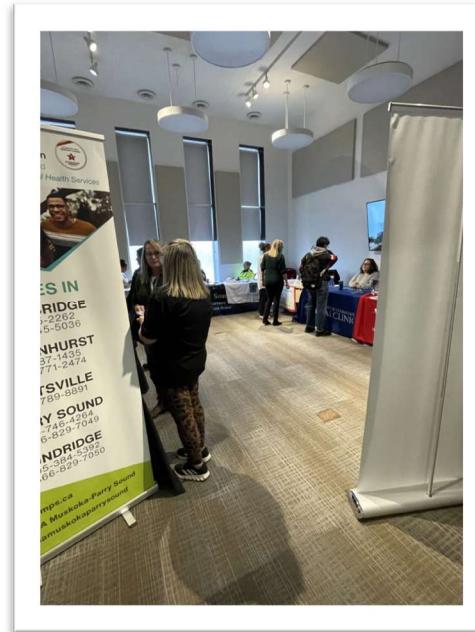

On October 24, 2025, the Child Care Service Management team hosted a full-day professional learning event for Early Childhood Educators from across the District of Parry Sound at the Bobby Orr Community Centre. The workshop, *Growing the Heart of Our Work*, was facilitated by Jessica and Karen from Discovery Professional Learning and focused on reconnecting educators with their purpose through values-driven practice, reflection, and the power of play.

A total of 111 participants attended the session, which featured an inspiring keynote on cultivating passionate, pedagogical, and playful cultures, followed by interactive, play-based breakout sessions exploring equity, inclusion, and meaningful learning environments. The day offered educators the opportunity to recharge, deepen their practice, and strengthen connections within the early learning community.

National Housing Day Event

On November 24, 2025, our Housing team hosted a well-attended National Housing Day event at our Parry Sound office from 1:00-3:00 p.m., welcoming community partners and members of the public. Due to winter weather, the event planned for South River has been postponed, to a date to be determined.

'Everyday Impact'

This month, we are proud to recognize Amanda VanKoughnett, HR Coordinator, for her outstanding commitment and quick action in responding to a last-minute challenge to our First Aid training schedule.

When the facilitator unexpectedly cancelled the day before the sessions were set to begin, Amanda immediately understood the impact this could have on our licensing requirements for child care facilities at the shelter and the essential training needs of staff working throughout the community. Rather than accepting a delay, she stepped in without hesitation.

Drawing on her strong relationships and deep understanding of organizational needs, Amanda worked tirelessly to secure a new facilitator and coordinate fresh training dates on an extremely tight timeline. She collaborated closely with supervisors, communicated swiftly with employees, and ensured that every detail - from attendance to logistics - was handled with care. Thanks to her diligence and determination, the new sessions proceeded smoothly and were highly successful.

Amanda's passion for supporting staff and her unwavering dedication to fostering a safe, well-prepared workplace truly shine through in moments like this. Her commitment to employee training not only safeguards our compliance but also strengthens the confidence and readiness of our teams across the organization. We are grateful for Amanda's leadership, resilience, and the everyday impact she brings to DSSAB.

Capital Projects

October 2025

General Overview

October continued the transition from summer construction into winter preparedness, with several remediation, siding, roofing, and mechanical projects advancing toward completion. Multiple units previously under abatement or interior restoration reached final inspection stages, while ongoing structural and mechanical work continued to address system aging, water infiltration concerns, and long-term asset preservation needs. Planning and procurement activity increased during the month to align the remaining 2025 work with year-end timelines and to prepare for 2026 capital implementation.

Hazardous Material Remediation and Water Damage Repairs

- Abatement and restoration work continued at several locations, with multiple units completing final testing, drywalling, and finishing.
- Clearance inspections were performed on completed abatement sites, allowing turnover processes to begin.
- Additional units identified for remediation through routine inspections were added to the fall workplan, with environmental testing scheduled.
- Repairs related to water damage, including mould remediation and interior restoration, progressed steadily and remained on track for November completion.

Doors, Siding, Painting, and Cosmetic Upgrades

- Exterior siding projects that began in late summer progressed through final stages, with several buildings receiving finishing work and touch-ups.
- Quotes for additional painting and cosmetic upgrades were reviewed and remain pending budget review for the upcoming cycle.
- Masonry repair recommendations submitted earlier in the fall remained under review, with contractor selection anticipated for early 2026.

Roofing and Structural Projects

- Fall roofing work advanced where weather permitted, including attic remediation and replacement activities that began in September.
- Foundation and structural reinforcement work continued, addressing previously identified building deficiencies.
- Engineering assessments and contractor coordination remained active throughout October to support safe and compliant repair execution.
- Structural finishing, including drywalling and carpentry in remediated areas, progressed to near completion.

HVAC, Electrical, and Generator Work

- Generator-related work progressed, with components on order and installation coordination underway.
- Mechanical repairs, including plumbing deficiencies and HVAC adjustments, were completed at several sites.
- Electrical upgrades continued, with panel replacements and system enhancements progressing as materials became available.

Landscaping and Site Enhancements

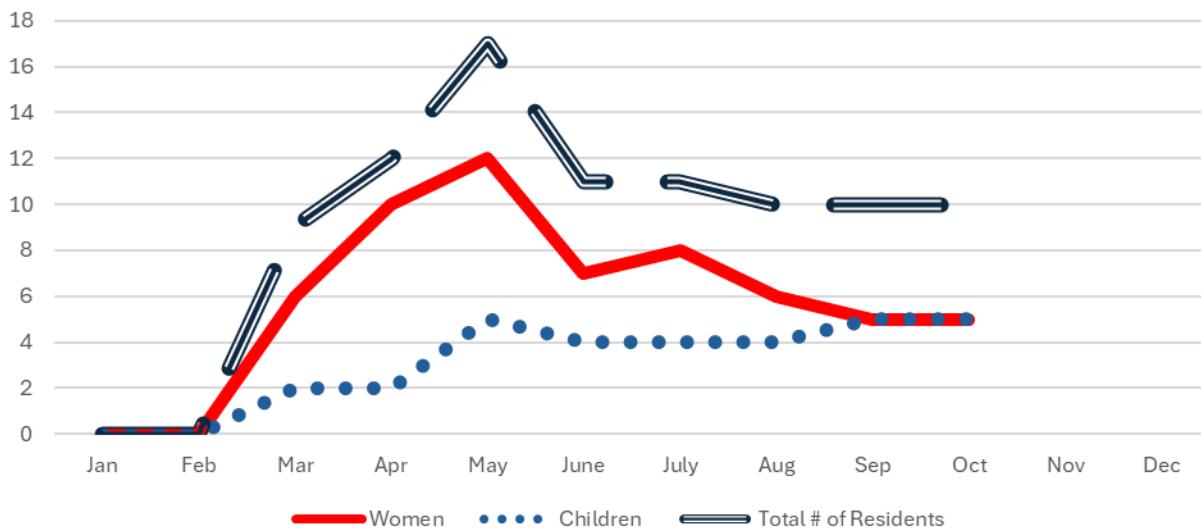

- Fall landscaping projects, including privacy plantings and minor site enhancements, were initiated and are expected to conclude before winter.
- Remaining exterior grading, asphalt, and drainage improvements were partially completed, with some work deferred to spring 2026 due to weather limitations.

Summary

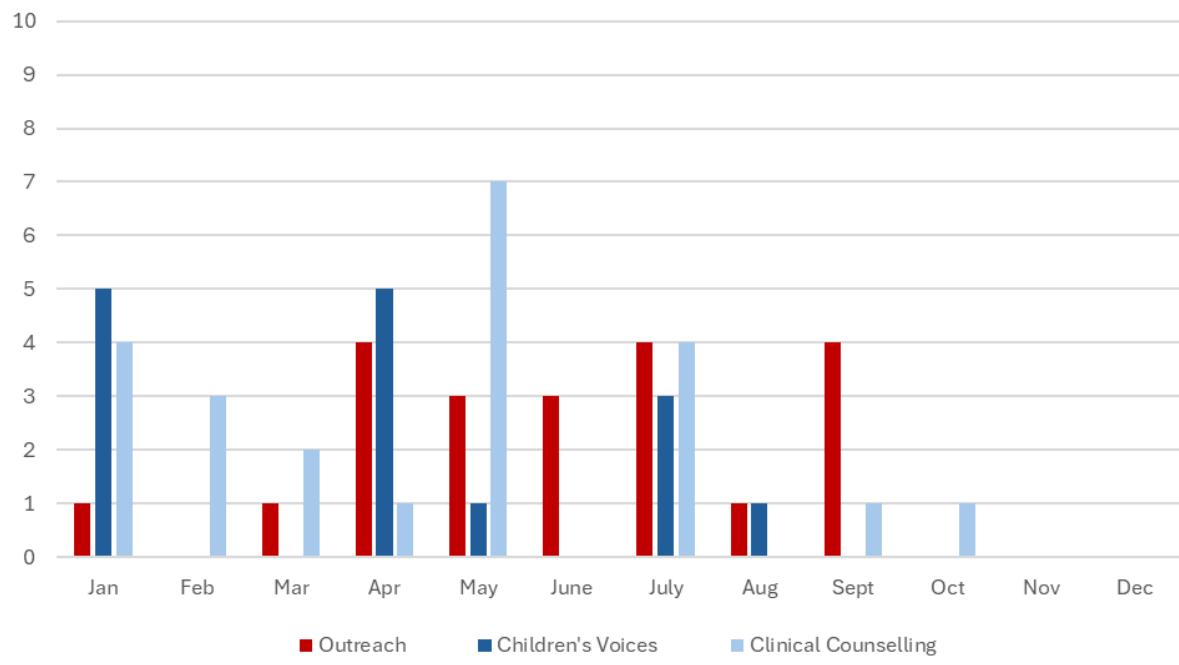

The Capital team maintained strong momentum through October, completing several abatement and restoration projects while advancing roofing, siding, and mechanical upgrades. Portfolio readiness for winter improved through continued infrastructure repairs, heating system preparation, and strategic planning. Year-end procurement and contractor scheduling remain underway, ensuring that outstanding fall projects progress into November and early winter as planned.

Dear Mayor/Reeve/CAO/Treasurer,

Please find attached your Ontario Provincial Police (OPP) Annual Billing Statement package including 2026 estimated costs and a statement for the 2024 year-end reconciliation. The final cost adjustment from the 2024 reconciliation process has been applied as an adjustment to the calculated billing amount for the 2026 calendar year.

As noted in the letter sent to you by the Solicitor General dated September 26, 2025, any increase in total policing costs for calendar year 2026—including the 2024 year-end adjustment—has been capped at 11% over the final amount billed in 2025 (after 2023 year-end adjustment and all applicable discounts).

To provide clarity and transparency, your statement includes:

- The actual calculated billing amount for 2026.
- A capped amount, based on the final 2025 payable amount plus 11%.

The municipality will be billed the lower of these two amounts during the 2026 calendar year.

The final reconciliation of your 2026 annual costs will appear in your 2028 Annual Billing Statement. The reconciled 2026 costs will reflect the 11% cap applied for that year.

For more detailed information on the 2026 Annual Billing Statement package, please refer to the resource material available on the internet, www.opp.ca/billingmodel. Further, OPP Municipal Policing will host webinar information sessions in the new year. An e-mail invitation will be forwarded to the municipality advising of the session dates.

If you have questions about the Annual Billing Statement, please e-mail
OPP.MunicipalPolicing@opp.ca.

Yours truly,

B. (Bradley) McCallum
Chief Superintendent
Commander

OPP 2026 Annual Billing Statement

Estimated costs for the period January 1 to December 31, 2026

Notes to Annual Billing Statement

- 1) Municipal Base Services and Calls for Service Costs - The costs allocated to municipalities are determined based on the costs assigned to detachment staff performing municipal policing activities across the province. A statistical analysis of activity in detachments is used to determine the municipal policing workload allocation of all detachment-based staff as well as the allocation of the municipal workload between base services and calls for service activity. For 2026 billing purposes the allocation of the municipal workload in detachments has been calculated to be 51.9 % Base Services and 48.1 % Calls for Service. The total 2026 Base Services and Calls for Service cost calculation is detailed on the Base Services and Calls for Service Cost Summary included in the municipal billing package.
- 2) Base Services - The cost to each municipality is determined by the number of properties in the municipality and the standard province-wide average cost per property of \$203.05 estimated for 2026. The number of municipal properties is determined based on MPAC data. The calculation of the standard province-wide base cost per property is detailed on Base Services and Calls for Service Cost Summary included in the municipal billing package.
- 3) Calls for Service - The municipality's Calls for Service cost is a proportionate share of the total cost of municipal calls for service costs calculated for the province. A municipality's proportionate share of the costs is based on weighted time standards applied to the historical billable calls for service. The municipality's total weighted time is calculated as a percentage of the total of all municipalities.
- 4) Overtime - Municipalities are billed for overtime resulting from occurrences in their geographic area and a portion of overtime that is not linked specifically to a municipality, such as training. Municipalities are not charged for overtime identified as a provincial responsibility. The overtime activity for the calendar years 2021, 2022, 2023 and 2024 has been analyzed and averaged to estimate the 2026 costs. The costs incorporate the 2026 salary rates and a discount to reflect overtime paid as time in lieu. The overtime costs incurred in servicing detachments for shift shortages have been allocated on a per property basis based on straight time. Please be advised that these costs will be reconciled to actual 2026 hours and salary rates and included in the 2028 Annual Billing Statement.
- 5) Court Security and Prisoner Transportation (CSPT) - Municipalities with court security responsibilities in local courthouses are billed court security costs based on the cost of the staff required to provide designated court security activities. Prisoner transportation costs are charged to all municipalities based on the standard province-wide per property cost. The 2026 costs have been estimated based on the 2024 activity levels. These costs will be reconciled to the actual cost of service required in 2026.

There was no information available about the status of 2026 Court Security Prisoner Transportation Grant Program at the time of the Annual Billing Statement preparation.

- 6) Year-end Adjustment - The 2024 adjustment accounts for the difference between the amount billed based on the estimated cost in the Annual Billing Statement and the reconciled cost in the Year-end Summary. The most significant year-end adjustments are resulting from the cost of actual versus estimated municipal requirements for overtime, contract enhancements and court security.

OPP 2026 Estimated Base Services and Calls for Service Cost Summary

Estimated Costs for the period January 1 to December 31, 2026

Notes:

Total Base Services and Calls for Service Costs are based on the cost of salary, benefit, support and other direct operating expenses for staff providing policing services to municipalities. Staff is measured in full-time equivalent (FTE) units and the costs per FTE are described in the notes below.

- 1) Full-time equivalents (FTEs) are based on average municipal detachment staffing levels for the years 2021 through 2024. Additional service, court security, prisoner transportation and cleaning staff are excluded.

The equivalent of 84.1 FTEs with a cost of \$17,823,159 has been excluded from municipal costs to reflect the average municipal detachment FTEs required for provincially-mandated responsibilities eligible for Provincial Service Usage credit.

Salary rates are based on weighted average rates for municipal detachment staff by rank, level, and classification. The 2026 salaries incorporate the 2026 general salary rate increase set in the 2023 to 2026 OPPA Uniform and Civilian Agreements (uniform and civilian staff - 4.75% in 2023, 4.50% in 2024, 2.75% in 2025 and 2.75% in 2026.) The 2026 salaries also incorporate a 3% Frontline Patrol Premium and a 3% Second-In-Command premium.

The benefit rates are estimated based on the most recent rates set by the Treasury Board Secretariat, (2025-26). Statutory Holiday Payouts, Shift Premiums, and Benefit costs are subject to reconciliation.

FTEs have been apportioned between Base Services and Calls for Service costs based on the current ratio, 51.9% Base Services : 48.1% Calls for Service.

- 2) Support Staff Costs and Other Direct Operating Expenses for uniform FTEs are calculated on a per FTE basis as per rates set in the 2025 Municipal Policing Cost-Recovery Formula.

OPP 2024 Reconciled Base Services and Calls for Service Cost Summary

For the period January 1 to December 31, 2024

Notes:

Total Base Services and Calls for Service Costs are based on the cost of salary, benefit, support and other direct operating expenses for staff providing policing services to municipalities. Staff is measured in full-time equivalent (FTE) units and the costs per FTE are described in the notes below.

- 1) Full-time equivalents (FTEs) are based on average municipal detachment staffing levels for the years 2019 through 2022. Contract enhancements, court security, prisoner transportation and cleaning staff are excluded.

The equivalent of 88.28 FTEs with a cost of \$17,343,993 has been excluded from municipal costs to reflect the average municipal detachment FTEs required for provincially-mandated responsibilities eligible for Provincial Service Usage credit.

Salary rates are based on weighted average rates for municipal detachment staff by rank, level and classification. The 2024 salaries incorporate the 2024 general salary rate increases set in the 2023 to 2026 OPPA Uniform and Civilian Collective Agreements, (uniform and civilian staff - 4.50%). The benefit rates are based on the most recent rates set by the Treasury Board Secretariat, (2024-25). Statutory Holiday Payouts, Shift Premiums, and Benefit costs are subject to reconciliation.

FTEs have been apportioned between Base Services and Calls for Service costs based on the current ratio, 50.44% Base Services : 49.56% Calls for Service.

- 2) Support Staff Costs and Other Direct Operating Expenses for uniform FTEs are calculated on a per FTE basis as per rates set in the 2023 Municipal Policing Cost-Recovery Formula.

MEMORANDUM TO: Community Emergency Management Coordinators

FROM: Matthew Pegg
Deputy Minister and Commissioner of Emergency
Management

SUBJECT: **Passage of Bill 25, Emergency Management
Modernization Act, 2025 amending the *Emergency
Management and Civil Protection Act***

I am pleased to share that Ontario has reached an important milestone in modernizing its emergency management framework through amendments to the [*Emergency Management and Civil Protection Act*](#) (EMCPA).

On December 3, 2025, the Government of Ontario passed [**Bill 25**](#), the *Emergency Management Modernization Act, 2025*. Schedule 1 of the *Emergency Management Modernization Act, 2025* amends the EMCPA to enable a more effective, coordinated and comprehensive approach to provincial and community emergency management.

These legislative amendments are informed by valuable feedback, best practices in emergency management, and lessons learned from past emergencies. I want to extend my sincere thanks for the feedback from emergency management partners, which has been essential in shaping this legislation and ensuring it reflects the needs and realities of communities.

The amendments to the EMCPA will be implemented through a phased approach, with initial amendments aimed at strengthening provincial coordination and capabilities and enhancing community capacity in emergency management.

Some amendments are now in effect, with no new requirements for partners. These include:

- **Establishing the purposes of the Act**, including to support coordination with municipalities, Indigenous communities, public and private sector organizations, and other governments.
- **Introducing a clear definition of “emergency management”** encompassing prevention, mitigation, preparedness, response, and recovery.
- **Clarifying the role of the Ministry of Emergency Preparedness and Response** as the provincial lead and one window for coordinating provincial emergency management activities under the oversight of the **Minister of Emergency**

Preparedness and Response and the direction of the **Commissioner of Emergency Management**.

- **Strengthening executive oversight** of provincial emergency management.
- **Authorizing the Minister** of Emergency Preparedness and Response to oversee municipal, ministry, and provincially regulated critical infrastructure entities' emergency management programs, and enter into agreements and arrangements with public and private partners and individuals in emergency management.
- **Recognizing Ontario Corps** as a key provincial resource and capability that can be engaged to support communities across the province, who request assistance.

These changes aim to strengthen provincial emergency management coordination and lay the foundation for deeper collaboration with communities and emergency management partners.

Remaining amendments to the EMCPA are expected to come into force at a later date. Subject to future regulations, key changes affecting municipalities will include:

- Enabling flexibility regarding requirements for municipal emergency management programs and plans based on needs and capacity.
- Allowing two or more municipalities to voluntarily develop and implement joint emergency management programs and plans.
- Clarifying the process for and ensuring accountability of municipal emergency declarations under the EMCPA.

The Ministry of Emergency Preparedness and Response remains committed to working closely with emergency management partners throughout the implementation of these changes, including the development of supporting regulations. Your continued support and feedback will be vital in shaping the next phase of this work, and I look forward to ongoing collaboration.

If you have any questions on the amendments, please contact the Strategic Policy and Governance Branch in the Ministry of Emergency Preparedness and Response at EMOPolicy@ontario.ca.

Thank you again for your valued partnership.

Sincerely,

That this report be received for information, and that the Council for the Village of Sundridge accept this year end report as written.

Background:

The following is a summary and statistics of 2025 pertaining to By-law matters and By-law Enforcement in the Village of Sundridge.

Call ratio is significantly increased in 2025. This trend has been growing year over year and services were increased to help accommodate the demand. Notably the need for By-Law response has almost doubled since 2019.

It should also be considered the service we provide has changed to meet the demand in areas not traditionally designated as By-Law Enforcement. Our roles include more involvement in service and coordination as the result of increased concerns in homelessness and housing, addictions and mental health and service coordination. This unfortunately has been out of necessity.

We continue to provide more traditional enforcement services such as Animals, Property Standards, Parking etc., which have also increased in volume.

One area of considerations and potential liability is in property development and planning. Currently developers are buying properties and building to the maximum allowable coverage and proximity to neighbouring properties and although permitted, lack the common sense and consideration for neighbours.

This development is crucial and appreciated, however there may be some need despite the expense to revisit our current zoning and address these concerns before they continue and we become liable.

These developments also come with a cost to the municipality and perhaps development fees should be explored for cost recovery.

Community Events:

It is well known that Sundridge has one of the largest events in the district being the "Sunflower Festival" which has grown exponentially into a unparalleled success.

Our Service has been involved in supporting this festival historically, and presently. Our role, thanks to the organizers is hoped to change in the coming years as great efforts are being made to address potential concerns both by the Festival Committee and the Emergency Management Coordinator.

Thank you to those involved in these efforts.

By-Laws:

The Village of Sundridge is mostly up to date and current with legislation. The addition of Administrative Monetary Penalties has positively impacted enforcement strategies and demonstrated significant efficiencies.

Training:

In 2026 we have significantly reduced our training budget in efforts to reduce our overall costs.

Alternatively, we have initiated a working group of approximately seven (7) rural Municipal Law Enforcement Officers, whom are meeting here in Sundridge on January 29, 2026 to discuss our localized needs and focus on more appropriate / relevant training or information which may be more relevant and cost shared.

Cameras and Securities

As we are aware the Village underwent some expense this year to upgrade, enhance and improve our existing cameras and securities.

To clarify these cameras are for the purpose of protection of person(s) and property against liability and crime.

They are both a deterrent and a method to protect the community.

Policy has been put in place to ensure there is accountability and justification for the use.

We have clarified for some the purpose is not for intrusion of privacy. We received no funding or pressure from any other level of government, or enforcement agencies to enhance the existing systems.

We have experienced firsthand success and protection from liability resulting in significant savings to the rate payer.

Statistics 2025 By-Law Enforcement Services:

Animal	16
Property Standards	10
Snow	12
Park	18
Other	20
Trailer	1
Noise	2
Total Calls for Service =	79

Conclusion:

We continue to enjoy and appreciate working with the community, council and staff of the Village of Sundridge.

Thank you for your ongoing support and investment in our service. It truly is "Sunny Sundridge, your place to shine".

Respectfully

Bryan and Jason

January 4, 2026

Dear Councillors:

RE: TOWN PARKING LOT ACROSS FROM ZION UNITED CHURCH SUNDRIIDGE
For over 30 years Dave Johnstone plowed the lot across from the church every Sunday for our church services without any written agreement with the town. Now that things have changed we have been asked by the office clerk to sign an agreement with the village if we wish to continue plowing the lot.

We would like to request that since this lot belongs to the village and they plow the road right beside it, that they consider plowing this lot every Sunday when there is a big snowfall as it is their responsibility. It would just mean swinging into the lot or at least moving the heavy snow away from the entrance and exit.

This is a safety issue since we are very close to the main road up to John St. and do not have space as they do further up Main St to safely park on that side of the road without obstructing the view from vehicles driving by.

We will continue to have members of our church with plows clean the lot as they are able until we have your decision.

**We appreciate you taking the time at review this request.

MEMO TO: Mayor, Deputy Mayor and Council

FROM: Clerk Administrator

DATE: January 14, 2026

SUBJECT: Correspondence from the Zion United Church dated January 4, 2026

In regard to Item (9.3) on the January 14, 2026 Regular Council agenda, this memo is being provided to Council to bring forth details and information that should be considered pertinent to the discussion.

For Council's consideration, please review the following:

- There is no formal agreement on file and Staff not able to locate any noted details recorded in council minutes.
- The Property Chair notes in her correspondence that their organization has been coordinating and overseeing the snow removal on this parcel for thirty (30) +yrs. This is over three decades.
- To minimize risk and liability, it is best practice to have a formal agreement stipulating arrangements for maintenance and/or upkeep,
 - o and for that organization to provide insurance coverage naming the municipality as an additional insured for those lands.
- This area is not identified as a designated parking lot; it is an irregular shaped parcel of land owned by the municipality.
- The Village Superintendent does not support any changes to the internal operations practices. This parcel of land is not part of the public works department seasonal operations for maintenance in the winter months.
- The request is not as straight forward as implied. Oversight and management of this parcel of land would require it to be maintained in accordance with minimum maintenance standards. And, it would have a significant impact on the public works time for a work schedule that is already above being full.

- Places of worship do not pay taxes:
 - o Tax payer dollars would be used to preform snow removal operations for a private organization; potentially setting a precedent.
- The Village would take the lead on preparing the agreement to ensure all areas of concern are addressed.
- Council has recently discussed this area with the Village Superintendent and Council made the decision to expand the Community Safety Zone by reducing the speed limit for vehicular traffic along the entire Main Street corridor from the intersection of John Street/Main Street all the way down to Union Street/Main Street.

AND WHEREAS the total amount which may be borrowed from all sources at any one time to meet the current expenditures of the Municipality, except with the approval of the Municipal Board, is limited by Section 407 of the Municipal Act, 2001;

NOW THEREFORE the Municipal Council of the Corporation of the Village of Sundridge enacts as follows:

1. The head of council or the treasurer or both of them are hereby authorized to borrow from time to time during the fiscal year (hereinafter referred to as the current year) such sums as may be necessary to meet, until taxes are collected and other revenues are received, the current expenditures of the Municipality.

AND WHEREAS Section 317 (3) of the Municipal Act provides a set of rules for determining the interim tax payable;

AND WHEREAS Council deems it appropriate to provide for such interim levy on the assessment of property in this municipality;

NOW THEREFORE the Municipal Council of the Corporation of the Village of Sundridge enacts as follows:

1. Interim tax levies are hereby imposed on the whole of the assessment for real property classes according to the assessment roll for taxation in the current year, and shall be in the amount equal to fifty per cent (50%) of the total 2025 taxes on the property.
2. When calculating the total amount of taxes for the year 2025 under paragraph 1, if any taxes for municipal and school purposes were levied on a property for only part of 2025, an amount shall be added equal to the additional taxes that would have been levied on the property if taxes for municipal and school purposes had been levied for the entire year.

6. The Treasurer shall cause to be mailed or emailed to the residence or place of business of such person indicated on the last revised assessment roll, a notice specifying the amount of taxes payable.
7. A failure to receive the aforesaid notice in advance of the date for payment of the interim levy or any installment, does not affect the timing of default or the date from which interest shall be imposed.
8. The Treasurer of the Village of Sundridge may accept part payment on account of any taxes due, but such acceptance shall not affect interest under Section 4 of this By-Law.
9. This By-Law shall be deemed to come into force and effect on January 1, 2026 and shall apply to properties on the assessment roll for taxation in the current year as listed on that date or which were added to the roll after that date, including properties added after the date this by-law is passed.
