ABOUT US

Sinn Family Celebration of Life Center, with locations in Trimont, Sherburn, and Welcome, helps families through every step of funeral planning with care, compassion, and attention to detail. Our spaces host funerals, visitations, receptions, and community events that celebrate life.

Ean Sinn started working locally in funeral service while still in high school, and after completing his degree in Mortuary Science from the University of Minnesota - Twin Cities and gaining experience outside the area, he returned with his wife, Crystal, to open the first location in Trimont in 2023. Through partnerships with the Trimont United Methodist Church, St. Paul's Community Church in Welcome, and the First Congregational Church in Sherburn, the business has expanded while remaining community-centered.
