### **SMS Messaging Consent**

As of July 2026, our internal phone system now has the capability to send and receive text messages from select campus numbers. Please note, not all lines are activated for texting.

By initiating contact with us through messaging from a mobile number and/or by responding to a text from a campus number, you agree to receive SMS text messages regarding the services we provided and/or for general donation communications. You may also opt in to receiving SMS messages verbally during a conversation with Loaves & Fishes staff. Message frequency varies based on the details and the purpose of the conversation. Message and data rates from your existing carrier may apply. SMS consent can be withdrawn at any time by replying STOP to any message. For assistance, please call our main office at (916) 446-0874 or use the contact form at <https://www.sacloaves.org/resources>.

Your data may only be shared with trusted service providers who assist in delivering SMS services as they are contractually obligated to protect your information in accordance with this Privacy Policy.

Again, we do not sell, rent, share or provide your personal information with third parties for any purposes. SMS consent and phone numbers are not shared with third parties or affiliates under any circumstances.

Sacramento Loaves & Fishes may from time to time update this policy without prior notice. By continuing to use the SMS messaging option, you agree to the consent guidelines as detailed in this policy.
