

Headteacher's Newsletter April 2026

'Let your light shine before others'

Welcome to the April Newsletter We hope you had a restful Easter break. It has been good to see the children returning to school so positively. We are looking forward to the coming weeks. Please find confirmed dates for the term below and there will be more to follow.

Statutory Assessments

Year 6 SATs week starts on Monday 11th May to Thursday 14th May. The Year 4 Multiplication Check will take place between 1st June and the 13th June. The Year 1 phonics screening check will take place during the week starting the 8th June. If you want further information about these, please speak to your child's class teacher. We will also be holding a Year 4 multiplication check meeting for parents on the 12th May.

Dogs

For health and safety reasons please do not bring any dogs or puppies onto the school premises. As much as we love them dogs should not be brought into school.

Science Posters

A quick reminder that Science Week completion being run by Mrs. Morley, closes on Friday this week. If you have designed a poster on the theme of 'what is your question?' Please make sure you have sent it in by the end of the week. We will be sharing the posters after school for parents on Tuesday 28th April. We will also be announcing the winners next week.

Comic Relief

A huge thank you for your generous donations for Comic Relief. Each class participated in a joke telling session and we shared our favourite jokes in assembly. We managed to raise £64 raised from your donations.

Summer Fayre

We are holding our FOLTs Summer Fayre after school on Friday 3rd July. There will be stalls, food and activities. Please keep a look out for further information.
