

## 2025/2026 Health/safety procedures

We would like to reassure you that we will continue to adhere to the CDC Guidelines as the health and wellbeing of our students, their families, and our staff are our top priority. We will continue to monitor and implement the local, state, and federal recommendations as they're announced.

We take pride in our facility and how it operates and would like to highlight the policies we have in place to help our dance families stay healthy and safe.

---

### What you as a parent need to do before coming to the studio:

- Assess your Dancer(s) before coming to the studio by checking to be sure they are not exhibiting **any signs of illness** such as but not limited to a temperature of 99.5 or above; coughing; headache; runny nose; sore throat, loss of taste or smell; shortness of breath; body aches; fatigue; diarrhea; vomiting; abdominal pain; etc. Do not bring your dancer to the studio should they have any of the previously mentioned symptoms or they have been in close contact with a friend or family member that is ill
  - **Please do not send your dancer to class if they or a family member is sick**
  - Encourage your child to cough and sneeze into their arm - not in their hand
  - Do not allow your dancer to bring toys from home
- 

### Arriving and Exiting:

- Parents/Guardians PLEASE WALK YOUR DANCER INTO OUR FACILITY
  - Please USE HAND SANITIZER BEFORE ENTERING THE BUILDING
  - Masks are optional
  - Please USE PROPER ENTRANCE and EXIT DOORS
  - **Waiting areas are limited**, except for **dancers ages 3-5... One adult per student will be permitted into the lobby**
  - At the end of class, dancers are encouraged to wash their hands or use hand sanitizer
  - **Parents please be prompt for pick up**
- 

### Additional safe practices:

- We will be wiping down frequently touched surfaces and equipment between classes
  - Running hepa air purifier systems throughout the studio
- 

Please know that we are always here to address any concerns or questions.
