

Kaleidoscope Playgroup Guidelines

To help create a safe, welcoming, and engaging environment for all families, please follow these guidelines:

- ☺ **Be Healthy:** Wash and/or sanitize your hands upon entering the playroom. For the health of all families, please do not attend playgroup if you or your child are feeling unwell.

- ☺ **Be Safe:** Store all personal belongings—including food, drinks, purses, and diaper bags—in the cubbies located outside the playroom to help maintain a safe and clutter-free space.

- ☺ **Be Engaged:** Stay with your child and actively participate in play and activities. Playgroups are designed to strengthen caregiver-child interaction and connection.

- ☺ **Be Connected:** Limit cell phone use. Playgroups are intentional opportunities to unplug and connect with your child and other families. Please refrain from scrolling, texting, or taking phone calls in the playroom.

- ☺ **Be Mindful:** Treat everyone with kindness and respect. Keep conversations positive, inclusive, and appropriate for children.

- ☺ **Be Positive & Have Fun:** Enjoy this special time to play, explore, and learn together. Celebrate your child's discoveries and support their learning with patience and encouragement.
