New Patient Paperwork

Welcome to Northwest Pediatrics! We are so excited to have you and your child as part of our practice. Enclosed, you will find a registration packet with a patient information form, a privacy notice, an initial history questionnaire, and the state-required Medical Home Agreement. Please bring the completed forms with you to your child's first appointment. If you are unable to do so, please arrive at least 15 minutes early to complete your forms before your appointment. Please bring your child's insurance card to every appointment.

Well Child Visits

Well visits and annual physicals are vital to the prevention and detection of childhood illnesses and diseases. NWP follows the American Academy of Pediatrics (AAP) recommendations on screening, education, prevention, and treatment guidelines. Immunizations and review of systems are typically performed during well visits. Your child will be scheduled for the following visits routinely: newborn visit, 1, 2, 4, 6, 9, 12, 15, 18, 24, 30 and 36 months, 4 years, and then annually.

Vaccination Requirement

Northwest Pediatrics no longer accepts new patients whose parents have chosen not to vaccinate. We offer walk-in vaccinations Monday through Friday from 10:30-11:30 am and 3:30-4:30 pm as well as scheduled appointments.

Same-Day Appointments

With over 30 years of combined pediatric experience, our pediatric care professionals at NWP should be your FIRST call in non-emergency situations. Your PCP knows your child and their health history including what medications they are taking that might need to be considered in their treatment. We have same-day appointments available Monday through Friday when the office is open and parents are encouraged to call as early as possible beginning at 8:30 am for a same-day appointment or contact us via our Practice Portal.

Appointment Cancellation Policy

Please call our office during normal business hours in advance to notify us if you will be more than 15 minutes late or if you are unable to keep an appointment. Our office policy is to dismiss a family from our clinic after 3 no-shows.

- Complete registration forms and bring with you to your first visit.
- Register on our Practice Portal by calling the office for a PIN and scanning the QR code.
