

Your next move – feasibility assessment

How important are the following when considering what you might do next?

Salary Must increase Stay the same Would accept lower income

OR What starting salary are you expecting? _____

Re-training Must use current skills Would retrain on job Would return to FT/PT study

Role status Recognise current age/experience Happy to start at entry level

Lifestyle Work must fit around my lifestyle What I do is more important than how I spend free time/other personal considerations

How proactive are you prepared to be successful at making a change?

Networking Have no supportive contacts, no plans to seek any Will actively seek out & nurture a support network

Gaining right experience Will learn on the job Happy to volunteer, work shadow to gain experience/insight

Must be the perfect job Wait for ideal job Comfortable with taking a 'stepping stones' approach to reach goal

What could be influencing your decisions about an 'ideal' next move?

Highly

Not at all

Location _____

Working patterns _____

Finance _____

Freedom to take risks _____

Health considerations _____

Family considerations _____
