## COMMITMENT SUNDAY CATHOLIC APPEAL

The 2024 Catholic Appeal officially launched here in our parish and across the Archdiocese last weekend. This weekend Catholics throughout the Archdiocese are asked to partner with one another to support their parish and the many outreach ministries by contributing to the Catholic Appeal. Many of you have received a letter from Cardinal Seán requesting your early support of the 2024 Appeal. We hope that you will respond to his invitation with a generous gift, knowing that each contribution transforms faith into action. You can make a gift by returning your pledge card or by making an online donation at [www.bostoncatholicappeal.org/donate-now](http://www.bostoncatholicappeal.org/donate-now).

For those who have already made a gift, thank you for your early support! The Appeal is a primary means by which we care for our brothers and sisters, and it all starts with YOU.

Our Lady of Hope Parish Goal for 2024 is \$40,000.

Specific prayers are recited, then the individual follows along to the next station until all 14 are complete.

### WINTER STORM CANCELLATIONS

When there is inclement weather, there is concern for the safety of parishioners and visiting priests traveling to our parishes and our ability to clear the parking lot and walkways to make them safe and free of snow/ice. When conditions are extreme and the Ipswich & Hamilton-Wenham School system cancels classes, we will also follow this same decision and cancel celebrating daily Mass. In addition, when there are extreme conditions or roads are unsafe we will also post cancellations of parish events, religious education and weekend Masses on our website. In addition to this you are also able to check cancellations on Channel 7 (NBC), Channel 56(CW) and by logging onto [www.whdh.com](http://www.whdh.com).

## Prayer for our country...

God our Father, giver of life, we entrust the United States of America to your loving care. You are the rock on which this nation was founded. You alone are the true source of our cherished rights to life, liberty, and the pursuit of happiness. Reclaim this land for your glory and dwell among your people. Send your Spirit to touch the hearts of our nation's leaders. Open their minds to the great worth of human life and the responsibilities that accompany freedom. Remind your people that true happiness is rooted in seeking and doing your will. Through the intercession of Mary Immaculate, patroness of our land, grant us the courage to reject the "culture of death."

We ask this through Christ Our Lord. Amen.

## IPSWICH KNIGHTS OF COLUMBUS

The Knights of Columbus is the world's largest Catholic fraternal service organization. It was founded by the Venerable Father Michael J. McGivney in New Haven, Connecticut, in 1882, and named in honor of the navigator Christopher Columbus. Originally serving as a mutual benefit society to low-income immigrant Catholics, it developed into a fraternal service organization dedicated to providing charitable services, promoting Catholic education, and actively defending Catholicism in various nations.

The Knights of Columbus is not just a fraternity in name. It is a brotherhood of Catholic men who each play a part in improving the world around them, one community at a time. They are dedicated to upholding the principles they cherish: Charity, Unity, and Fraternity. The Knights stand together in faith and lend their support to the parish, home, and fellow Knights. From charity for worldwide causes, to helping closer to home with volunteer activities, to a top-rated insurance program that protects those closest to you, the Knights make the most of its brotherhood. All men in the parish are welcome and should consider joining the Knights of Columbus. We'd love to have you! ## ST. VINCENT DE PAUL NEWS

In the tradition of its founder, [Blessed Frédéric Ozanam](#), and patron, [St. Vincent de Paul](#), the Society of St. Vincent de Paul is a Catholic lay organization inspired by Gospel values. We join together to grow spiritually by offering person-to-person service to neighbors in need.

As a reflection of the whole family of God, members, known as Vincentians, come together from every age, every race, and every income level and share our blessings of time, talent, and treasure with those who need help and hope. Organized locally, Vincentians witness God's love by embracing all works of charity and justice. We make no distinction in those we serve because, in them, Vincentians see the face of Christ.

Our local chapter of the Saint Vincent DePaul Society is a collection of parishioners inspired by Gospel values, growing in holiness, and building a better world through personal relationships with and serving the people in need in our community. We join to grow spiritually by offering person-to-person service to those in need and suffering. We meet face-to-face with those seeking assistance, preferably in their home. During these home visits, we bring hope, prayer, and financial resources to neighbors in need through assistance with rent, food, clothing, and other emergency needs.

Here are some recent examples of the help we have provided thanks to your generous Poor Box donations; we assisted a woman in a housing transition suffering from several health challenges with a week's stay at a local Inn. We've provided new mattress sets and sheets to a young family in need, and we have assisted a single mother and her son with a deposit for electricity as they return to Ipswich from Gloucester, hoping to find a better environment for their family life. We're assisting another single mother who has had to deal with the requirements of a special needs preschool child and, due to not being able to work full time, fell behind on her electric bills, and we've assisted a recently widowed senior with rental assistance while she deals with unexpected expenses.

We appreciate the opportunity to represent our two parishes in this work of charity that we do on behalf of all parishioners. We provide a person-to-person Christ-centered service that encompasses listening, empathizing, and bringing a prayerful approach to each encounter. We meet in the homes of each recipient, representing ourselves as members of our Hamilton/Ipswich/Wenham Catholic Community, seeking to bring support and the joy of Christ, non-judgmentally, to those in need.

Thank you again for thinking of those less fortunate and donating to the Poor Boxes on your way out of Our Lady of Hope Church. Please contact us if you know of anyone in Ipswich/Hamilton/Wenham who could benefit from a visit from your SVDP Society. Also, please visit our website for additional details: <https://svdpipswich.blogspot.com/>. All are welcome to participate in this mission as we meet at 7 PM on the first Monday night of every month in the OHL parish hall.

**Remember God's will in yours...** When you leave a bequest to the Church in your will or estate plan, you express your commitment to the future of your parish. You also return some of the blessings God gave to your life and leave an eternal message of what is important to you. Please consider including Our Lady of Hope Parish and Saint Paul Parish when preparing your will. For more information contact Fr. Brogan or call/email the parish office.

## A Help Button Should Go Where You Go!

*To be truly independent,  
your personal emergency device  
needs to work on the go.*

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

**No landline? No problem!** While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
