If you have not participated in either of these giving programs, it is the hope of the Finance Council that you consider supporting your parish with a commitment at this time. If you currently participate and are being asked to renew your commitment/gift, please do so at this time. Thank you!

Enrollment cards and Grand Annual envelopes can be returned via the offertory basket or placed in the mail to the parish office. If you prefer, online donations can be made via the QR Code here:

FEDERAL SCHOLARSHIP TAX CREDIT

Beginning in 2027, the Federal Scholarship Tax Credit has the potential to generate hundreds of millions of dollars in scholarships for children across Massachusetts, including students attending Catholic schools. Eligible taxpayers can contribute up to $1,700 to a qualified Scholarship Granting Organization (SGO) and receive a dollar-for-dollar federal tax credit, rather than sending those dollars to the federal government.

HOW IT WORKS

1

Taxpayer Donates

An individual can contribute up to $1,700 to a qualified SGO and receive a federal tax credit.

2

Scholarship Granting Organization (SGO)

SGOs collect contributions and award scholarships to eligible students.

3

Scholarships Support Students

Eligible families apply and receive scholarships for approved K-12 educational expenses.

KEY POINTS

- Catholic schools provide an incredible education to students across Massachusetts. For many families, the cost of tuition is the only barrier to attending.
- Fifty years ago, Catholic schools were largely free. Forty years ago, the Catholic Schools Foundation was not raising money for scholarships. Today, it raises $15 million annually to provide need-based scholarships to over 4,000 students.
- The Federal Scholarship Tax Credit **costs the Commonwealth ZERO dollars and will have a major positive impact on public school funding.**
- This is not just about private-school tuition. Nearly 90% of Massachusetts students are eligible, and scholarships can support students in both public and private schools for services including tuition, tutoring, after-school programs, dual enrollment, special education services, and transportation.
- If Massachusetts opts in, the program could bring up to $1 billion in scholarship and educational supports to families across the Commonwealth over the next three years.

Governor Healey needs to opt into the program by December 31 to participate. To day 31 governors have indicated they will opt in and many more are expected to follow.

ACT NOW

Take 1–3 minutes to submit a letter at

bit.ly/FSTCEMAIL

or call

617-725-4005

and urge Governor Healey to opt in today!

If Governor Healey does not opt in, our outstanding students will not be able to benefit. Residents may still participate in the program, but their contributions would support scholarships for students in other states. Please help us urge Governor Healey to opt in so our students can benefit.

Meet Our New Seminarian...

Hello, my name is Angel Perez Pineda, and I am 19 years old. I was born in Boston, Massachusetts, and spent 13 years living in Everett before moving to Lynn, where I lived for approximately five years. My home parish is St. Mary's Parish in Lynn, and I recently moved to Ipswich in August 2026.

I was raised in a Catholic family, but for a time in my life, I drifted away from the faith and considered myself as an atheist. However, through the grace of God, I I found my way back to the Church and eventually discerned a calling to the priesthood. I am currently a seminarian at Our Lady of Providence Seminary, where I am taking philosophical studies at Providence College.

Through my formation, I hope to grow into a faithful and devoted priest who can serve the People of God, accompany others in their faith journeys, and help lead souls closer to Christ and the path of salvation. I had the pleasure of meeting Fr. Brogan in mid-September, when I had the opportunity to serve Mass for him and meet several parishioners. That experience sparked my desire to become more involved in Our Lady of Hope Parish. I look forward to meeting more members of the parish community, offering my time and assistance wherever I can be of service.

Thank you all for your prayers, kindness, and support. I look forward to getting to know you and becoming part of this wonderful parish community.

I am very pleased to share this information about Angel with you all. Please keep him in your prayers and introduce yourself when he is home serving Mass.

~ Fr. Brogan

TRUTH I N CHRIST

Living God's Story (G1-G5)

CLASSES THIS PAST SUNDAY:

Grade 1: Baptism, where we are cleansed of original sin, receive God's grace, and become children of God. The children discussed the symbolism of water, representing purification, rebirth, and the beginning of our journey of faith.

Grade 2: MARK 12:28-34 - Jesus teaches us about love. The Greatest Commandment -

Grade 3: ROMANS 12:6-8 - The children created acrostic poems using the letters of their names to highlight the unique gifts and blessings God has given each of them.

Grade 4: EXODUS: Students examined the covenant between God and the Israelites and their promise to follow His commandments. A fun 10 Commandments relay race was played as well :)

Grade 5: 1 CORINTHIANS 10:16-17-The Eucharist-how receiving the Body and Blood of Christ unites us with Jesus and with one another.

Come Holy Spirit (G6-G8)

The students enjoyed a lively game of Jeopardy, testing their knowledge in categories such as the Old Testament, New Testament, "Look It Up," and more!

As a group, we watched a video and discussed the Seventh Commandment, "You shall not steal." We explored the importance of respecting others' property, practicing gratitude for what we have, and treating one another and our Core Team members with kindness and respect.
We ended our evening with a prayer reflecting on our many blessings and asking God to help us live with greater gratitude and simplicity.
Many students will be volunteering at The Dinner Bell in Ipswich this coming week!

SAINT VINCENT DE PAUL

SVDP Helping Our Neighbors—Making the Reign of God Visible

As fall gives way to winter, our two parishes' shared St. Vincent de Paul Conference continues helping local neighbors facing difficult circumstances.

We help seniors on fixed incomes and families or individuals whose tight budgets cannot absorb a car repair, rent increase, health problem, or family crisis. Higher winter heating and utility bills add to the strain.

We help where needed: with urgent bills, including heating and utilities; by connecting neighbors with community resources; or by offering a listening ear and help finding a way forward. Sometimes even a small amount of timely help can prevent a crisis.

This is how our two parishes care for our neighbors—person to person, with compassion and dignity. Every time we do that, God's reign becomes a little more visible in our community.

Donate or Join Us

Your donations make this work possible. Make checks payable to St. Vincent de Paul. Place them in the Sunday collection basket or in the Poor Boxes at Our Lady of Hope Church.

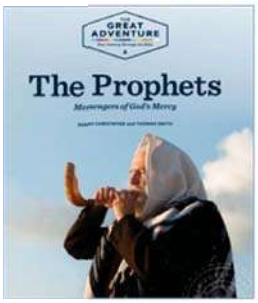

Come join us—even with limited time, you can make a difference. We offer membership options to fit your availability and interests, helping you put your faith into action by serving neighbors close to home. Call to learn how to take part—we would love to welcome you.
