St. Joseph the Worker Award

Nominations for this year's St. Joseph the Worker Award are open during all of July.
~ a nomination form was included in last week's Bulletin & is available on our Website.
Visit our Website to review the Award criteria as well as biographies of previous Awardees.
Additional nomination forms and return envelopes will remain at the display in the lobby
until August 8th when the nomination period will close.

Please help us to select a worthy recipient again this year.

Pregnancy Care Center – Last Call

Please return any and all “Baby Bottles” in support of the Pregnancy Care Center,
(*including any unfilled ones*) for collection and reuse elsewhere by the Care Center.

Folk Festival Preparations

Preparations are underway for the Shrine's participation in the Lowell Folk Festival.
This week's bulletin includes an insert seeking volunteers and explaining how you might
assist us during that last weekend of July (25th & 26th).

That information will remain posted at the display in the Confessional lobby.

With the recent addition of 4 more picnic tables, more help would be appreciated.

Please consider giving us a hand by returning your *purple* volunteer coupons
in the coming weeks – deposit them in the container at the Folk Festival lobby display.

Offertory Donations

Please remember to place your weekly Offertory donation for today's Sunday Mass
in any of the Offertory Collection Boxes at the exits as you leave the Shrine today.

Thank You.
