

RECOVERY 4:13

Recovery is hard work and often messy. It is nearly impossible to experience long-lasting sobriety and recovery without surrendering to a power greater than ourselves.

In Step 2, we come to believe that a power greater than ourselves can help restore us to sanity.

In Phillipians 4:13, we believe "I can do all things through Christ who strengthens me."

With this core belief, and through the transformative healing power of Jesus Christ as our higher power, we arm ourselves to battle the enemy and our addiction from alcohol and/or drugs.

Recovery 4:13 is a free, open support group for those struggling with alcohol or drug addiction who are seeking life transformation through Jesus as our higher power. We will utilize a variety of AA sanctioned and non-sanctioned support materials with a focus on the Bible, AA Big Book & recovery principles and stories that offer fellowship, shared experiences and help point each other to the hope & strength available through Jesus.
