

ABOUT US!

As seen on the Discovery Channel, Operation Healing Heroes Foundation preserves history by documenting the lives of our U.S. Military Heroes and their families one story at a time. OHHF provides financial, educational, and emotional support to veterans suffering from Post-Traumatic Stress. Full episodes are available at: www.operationhealingheroes.org

TAKE A VET FISHING

A DAY of GIVING BACK

Since our inception in 2012, Take A Vet Fishing NFP has taken over 5000+ US military veterans outdoors for a day on the water. Over 500 different fishing guides have donated their time and boats to make our heroes feel welcome.

For our veterans struggling with Post-Traumatic Stress, we provide access to additional treatment options at no cost to them.
