# AUCTION TERMS AND CONDITIONS

## 1. BID

- The submission of a bid means a binding offer.
- The bidder remains bound to his bid until it is either outbid or rejected by Auctioneer.
- Bids of unknown persons may be rejected by Auction House.
- Persons who are not present may notify the Auction House in writing of intended bids. These bids are considered as maximum bids, excluding the buyers premium. Changes to a written bid must be made in writing; they must be received no later than 24 hours prior to the Auction. Written bids can be send to [info@dutchauctioncompany.com](mailto:info@dutchauctioncompany.com)
- Request for Telephone bids must be made no later than 24 hours prior to the Auction.

## 2. AUCTION LOTS

- The lots are offered and sold in the name and for the account of the consignor.
- The Dutch Auction Company and the sellers disclaim any warranty for the age, origin, condition and quality of the lots put up for auction. The lots are sold in the condition in which they were at the time of the knock down.
- All lots are to be inspected at the preview days. It is possible to get an idea of their condition and value and to obtain additional information. The buyer acknowledges, that we sell used goods which can have marks and defaults caused by their age.
- The lots are described based on the latest current state of knowledge to the best of our knowledge and belief. The Dutch Auction Company is not liable for obvious or hidden defects.

## 3. KNOCKDOWN/PROPERTY

- The lot is awarded to the highest bidder. The lot will only be delivered to the buyer after payment has been made in full.
- The knock down could be also conditional. If it is called up « conditional sale», it means, that the reserve was not met. The Auction House will first consult with the seller and afterwards inform the buyer, if his offer was successful or not. This may happen right at the sale or within a few days.
- In the event of differences between two or more bidders, the lot may be offered again.
- Once the bid has been accepted, no further complaints will be accepted.

## 4. KNOCKDOWN HAMMER PRICE / BUYERS PREMIUM

- A buyers premium of 23% on top of the hammer price will be added on your invoice. This is excluding 21 % VAT\* on the buyer premium if applicable.
- For cars 15% buyer's premium will apply. This is excluding 21% VAT\* on the buyer premium if applicable.

\* Explanation of the application of VAT on the Buyers Premium (not on the hammer price of a lot, only the buyers premium):

> Private buyers registered within the Nether-

lands and Europe are invoiced including VAT.

> Private buyers registered outside Europe and exporting the purchased lots, lots leaving Europe, will be invoiced without VAT. Proof of export of the lots is required.

> Commercial buyers (companies) registered in the Netherlands are invoiced including VAT.

> Commercial buyers (companies) registered outside the Netherlands but within Europe are invoiced without VAT.

> Commercial buyers (companies) registered outside Europe and exporting the purchased lots, leaving Europe, are invoiced without VAT. Proof of export of the lots is required.

If commercial buyers (companies) wish to make use of the above VAT application, they must register as a commercial (company) bidder. Company name, address and VAT number are then required information that must be provided at registration.

- Attention for online bidders: If you do not bid directly at Dutch Auction Company, but online on an external auction platform, please take into account the additional fee charged by that platform. This is usually around 5%. The platform indicates which percentage they use. The auction costs of 23% are then increased by that extra percentage. If it is 5%, then the auction costs via the online platform are 28%.

## 5. PAYMENT OF THE LOTS

- The auctioned lots must be fully paid and collected within 5 days after the auction (unless other agreements have been made with the Auction House) at the auction location, or location where the lot is located otherwise the auction location. Payment can be made in cash (maximum € 20,000), by bank, or credit card payment. In case of cash payment or payment by credit card, 3% of the total invoice amount will be added in connection with additional bank deposit or credit card costs.
- Before leaving the auction room, each buyer is requested to take receipt of the relevant formalities at the auction office and to make a full or appropriate down payment.

## 6. PICK UP OF THE LOTS

- The auctioned lots will only be released after the auction and after full payment.
- The lots must be collected within 5 days of the Auction. Later collection may be possible by agreement with the Auction House.
- Lots that are not collected on time will be removed to storage at the buyer's expense.

## 7. LEGAL ISSUES/LIABILITY

- The Dutch Auction Company reserves the right to make changes and comments regarding the lot description before and during the exhibition or until the bid is accepted. Lots may be added or removed.
- The Dutch Auction Company, as sales commissioner according to article 7:425 BW 7:425 BW, acts for the account of the consignor. Any liability for defects shall be excluded in accordance with section 2. Any notices of defects, claims for rescission or reduction must be addressed directly to the Consignor as the seller. No representative or employee of the Dutch Auction Company is entit-

led to issue any guarantees deviating from this.

- The auction management may offer lots outside the numerical order without justification, and may combine, separate, or withdraw catalog items.
- Any participation in the auction is at your own risk. In the event of damage to exhibited objects, the causer shall be liable.
- Each removal of the auctioned lots, also by third parties, relates to own costs and risks.
- The invoice for the auctioned lots is to be paid in accordance with section 5. If this is neglected, the auctioneer may, at his discretion, demand fulfillment of the purchase contract by charging a default interest of 1% per month on the hammer price plus surcharge and the costs of collection. However, he may also withdraw from the purchase contract without notice or other notification and cancel the knockdown and sell the lot by private contract. In this case, the successful bidder shall be liable for all damages resulting from non-payment or delayed payment, in particular for any loss of proceeds. Any down payment made will be deducted from the damage.
- The auction and all disputes arising from it are subject to Dutch law. This applies regardless of the legal domicile of the parties involved.

- While we do our very best to have all content in our lot descriptions, catalogs and all printed and online communication as accurate as possible we make no guarantees and can not be held responsible for any incorrect information or typing errors.

Tilburg, The Netherlands - January 2025

Deelname aan de veiling is onderworpen aan de aanvaarding en onvoorwaardelijke aanvaarding van deze Veilingvoorwaarden:

## 1. BOD

- Het uitbrengen van een bod is een bindend bod.
- De bieder blijft aan zijn bod gebonden totdat het wordt overboden of afgewezen door de veilingmeester.
- Biedingen van onbekende personen kunnen door het Veilinghuis worden afgewezen.
- Personen die niet aanwezig zijn, kunnen voorgenomen biedingen schriftelijk aan het Veilinghuis doorgeven. Deze biedingen worden beschouwd als maximale biedingen, exclusief veilingkosten. Wijzigingen in een schriftelijk bod moeten schriftelijk worden gedaan. Schriftelijke biedingen dienen door het Veilinghuis uiterlijk 24 uur voor aanvang van de veiling te zijn ontvangen. Schriftelijke biedingen kunnen worden gestuurd naar [info@dutchauctioncompany.com](mailto:info@dutchauctioncompany.com)
- Verzoeken voor telefonische biedingen moeten ook uiterlijk 24 uur voor aanvang van de veiling te zijn ingediend bij het Veilinghuis.

## 2. KAVELS

- De kavels worden aangeboden en verkocht in naam en voor rekening van de verkoper.
- The Dutch Auction Company en de verkopers wijzen elke garantie af voor de leeftijd, oorsprong, staat en kwaliteit van de kavels die worden geveild. De kavels worden verkocht in de staat waarin ze zich bevinden op het moment van de hamerslag.
- Alle kavels dienen op de voorafgaande kijdagen te worden geïnspecteerd door koper. Daardoor is het mogelijk om een idee te krijgen van de staat en waarde van de kavel, en om verdere informatie te verkrijgen. De koper erkent dat we gebruikte goederen verkopen die door hun ouderdom kunnen zijn aangetast en gebreken kunnen vertonen.
- De kavels zijn naar ons beste weten en overtuiging beschreven op basis van de laatste stand van kennis. The Dutch Auction Company is niet aansprakelijk voor zichtbare of verborgen gebreken.

## 3. HAMERSLAG / EIGENDOM

- Het kavel wordt gegund aan de hoogste bieder. Het kavel wordt pas aan de koper geleverd na volledige betaling.
- De hamerslag kan ook onder voorbehoud zijn. Als het een verkoop «onder voorbehoud» is, betekent dit dat de minimum prijs niet is gehaald. Het Veilinghuis zal eerst overleggen met de verkoper en daarna aan de koper laten weten of zijn bod is geaccepteerd of niet. Dit kan tijdens of binnen een paar dagen na de veiling gebeuren.
- Bij verschillen tussen twee of meer bidders kan het kavel opnieuw worden aangeboden.
- Zodra het bod is geaccepteerd, worden geen klachten meer geaccepteerd.

## 4. HAMERPRIJS / VEILINGKOSTEN

- Over de hamerprijs wordt 23% veilingkosten gerekend. De veilingkosten zijn exclusief 21% btw\* indien van toepassing.
- Voor auto's wordt 15% veilingkosten over de hamerprijs gerekend. Dit is exclusief 21% btw\* indien van toepassing.

*\*Uitleg toepassing BTW over de veilingkosten (niet de kavels):*

- > *Particuliere kopers geregistreerd binnen Nederland en Europa worden gefactureerd inclusief BTW.*
- > *Particuliere kopers geregistreerd buiten Europa en de aangekochte kavel exporteren, dus Europa verlaten, worden gefactureerd zonder BTW. Een bewijs van export van de kavels is een vereiste.*
- > *Zakelijke kopers (bedrijven) geregistreerd in Nederland worden gefactureerd inclusief BTW.*
- > *Zakelijke kopers (bedrijven) geregistreerd buiten Nederland maar binnen Europa worden gefactureerd zonder BTW.*
- > *Zakelijke kopers (bedrijven) geregistreerd buiten Europa en de aangekochte kavels exporteren, dus Europa verlaten, worden gefactureerd zonder BTW. Een bewijs van export van de kavels is een vereiste.*

*Indien zakelijke kopers (bedrijven) van bovengenoemde BTW regeling gebruik willen maken dienen zij zich ook als zakelijke koper (bedrijf) te registreren als bieder. Bedrijfsnaam, adres en BTW nummer zijn dan vereiste gegevens die bij inschrijving opgegeven dienen te worden.*

- Opgelet voor online bidders: Indien u niet rechtstreeks bij Dutch Auction Company biedt, maar online op een extern veiling platform houdt rekening met de extra fee die door dat platform in rekening wordt gebracht. Dit is meestal rond de 5%. Op het platform wordt aangegeven welke percentage ze hanteren. De veilingkosten van 23% wordt dan verhoogd met dat extra percentage. Als het 5% is dan zijn de veilingkosten via het online platform dus 28%.

## 5. BETALING VAN DE KAVELS

- De geveilde kavels dienen binnen 5 dagen na de veiling volledig betaald en afgehaald te zijn op de veiling locatie, of locatie waar het kavel zich bevindt anders de veiling locatie. Betaling kan contant (maximaal € 20.000,-), door een bank, of credit card betaling. Bij contante betaling of betaling met creditcard komt er 3% over het totale factuur bedrag bij in verband met extra bank afstorting- of credit card kosten.
- Voor het verlaten van de veilingzaal wordt elke koper verzocht de relevante formaliteiten op het veilingkantoor in ontvangst te nemen en een volledige betaling, of passende aanbetaling te doen.

## 6. AFHALEN VAN DE KAVELS

- De geveilde kavels worden pas na de veiling en na volledige betaling vrijgegeven.
- De kavels dienen uiterlijk binnen 5 dagen na de veiling te zijn opgehaald. Afhalen gaat in overleg met het veilinghuis.
- Kavels die niet op tijd worden opgehaald, worden op kosten van de koper naar de opslag gebracht.

## 7. JURIDISCHE KWESTIES / AANSPRAKELIJKHEID

- The Dutch Auction Company behoudt zich het recht voor om voor en tijdens de veiling of totdat het bod is geaccepteerd wijzigingen en opmerkingen aan te brengen in de kavelbeschrijving. Er kunnen ook objecten worden toegevoegd of verwijderd.

- The Dutch Auction Company treedt als verkoopcommissaris volgens artikel 7:425 BW op voor rekening van de verkoper. Elke aansprakelijkheid voor defecten wordt uitgesloten in overeenstemming met paragraaf 2. Alle kennisgevingen van defecten, claims voor herroeping of vermindering moeten rechtstreeks worden gericht aan de afzender als verkoper. Geen enkele vertegenwoordiger of medewerker van The Dutch Auction Company is gerechtigd hiervan afwijkende garanties af te geven.
- Het veilingmanagement kan zonder rechtvaardiging kavels aanbieden buiten de numerieke volgorde en kan catalogusitems combineren, scheiden of intrekken.
- Elke deelname aan de veiling is voor eigen risico. In geval van schade aan tentoongestelde voorwerpen is de veroorzaker aansprakelijk.
- Afhaling van de geveilde objecten, ook door derden, is op eigen kosten en risico's.
- De factuur van de geveilde kavels dient betaald te worden conform paragraaf 5. Indien dit niet nagekomen wordt kan de veilingmeester naar eigen inzicht, nakoming van de koopovereenkomst vorderen door een vertragingsrente van 1% per maand over de hamerprijs plus opslag en incassokosten in rekening te brengen. Hij kan zich echter ook zonder voorafgaande kennisgeving of andere kennisgeving uit het koopcontract terugtrekken en de hamerslag annuleren en het object verkopen via een onderhandse overeenkomst. In dat geval is de succesvolle bieder aansprakelijk voor alle schade die het gevolg is van niet-betaling of te late betaling, in het bijzonder voor eventuele gederfde opbrengsten. Een eventueel gedane aanbetaling wordt in mindering gebracht op de schade.
- Op de veiling en alle geschillen die daaruit voortvloeien is Nederlands recht van toepassing. Dit geldt ongeacht de wettelijke woonplaats van de betrokken partijen.
- De Engelse versie van deze verkoopvoorwaarden is bepalend voor de beoordeling van geschillen.
- De bevoegde rechtbank is Breda, Nederland.

## 8. ALGEMEEN

- De veiling- en verkoopvoorwaarden worden aan iedere geïnteresseerde bekend gemaakt en tijdens de veiling in de veilingzaal toegelicht.
- Wettelijke identificatie, naam en adres van de koper zijn vereist voor het bieden op en veilen van een object. Registratie geeft de koper het recht om te bieden.
- Het is de verantwoordelijkheid van de koper om zich te beschermen tegen de risico's van verlies, diefstal, beschadiging en vernietiging van de betreffende kavels door tijdig een verzekering af te sluiten. Alle risico's zijn bij de koper na de hamerslag van het artikel.
- Hoewel wij ons uiterste best doen om ervoor te zorgen dat alle inhoud van onze kavelbeschrijvingen, catalogi en alle gedrukte en online communicatie zo nauwkeurig mogelijk is, geven wij geen garanties en kunnen wij niet aansprakelijk worden gesteld voor eventuele onjuiste informatie of typfouten.

*\* Explication de l'application de la TVA sur la commission d'achat (pas sur le prix d'adjudication d'un lot, uniquement la commission d'achat) :*

- > Les acheteurs privés enregistrés aux Pays-Bas et en Europe sont facturés avec TVA.
- > Les acheteurs particuliers domiciliés hors Europe et exportant les lots achetés, les lots sortant d'Europe, seront facturés sans TVA. Une preuve d'exportation des lots est exigée.
- > Les acheteurs commerciaux (sociétés) enregistrés aux Pays-Bas sont facturés avec TVA comprise.
- > Les acheteurs commerciaux (entreprises) enregistrés en dehors des Pays-Bas mais en Europe sont facturés sans TVA.
- > Les acheteurs commerciaux (sociétés) enregistrés hors Europe et exportant les lots achetés en dehors de l'Europe sont facturés sans TVA. Une preuve d'exportation des lots est requise.

*Si les acheteurs commerciaux (sociétés) souhaitent utiliser l'application TVA ci-dessus, ils doivent s'inscrire en tant qu'enchérisseur commercial (société). Le nom de l'entreprise, l'adresse et le numéro de TVA sont alors des informations obligatoires qui doivent être fournies lors de l'inscription.*

- Attention aux enchérisseurs en ligne : si vous n'enchérissez pas directement auprès de Dutch Auction Company, mais en ligne sur une plateforme d'enchères externe, veuillez tenir compte des frais supplémentaires facturés par cette plateforme. Ceux-ci s'élèvent généralement à environ 5 %. La plateforme indique le pourcentage qu'elle utilise. Les frais d'enchères de 23 % sont alors majorés de ce pourcentage supplémentaire. S'il s'agit de 5 %, les frais d'enchères via la plateforme en ligne sont de 28 %.

## 5. PAIEMENT DES LOTS

- Les lots adjugés doivent être intégralement payés et retirés dans les 5 jours suivant la vente (sauf accord contraire avec la Maison de Ventes) au lieu de la vente, ou au lieu où se trouve le lot sinon au lieu de la vente. Le paiement peut être effectué en espèces (maximum 20 000 €), par virement bancaire ou par carte de crédit. En cas de paiement en espèces ou par carte de crédit, 3 % du montant total de la facture seront ajoutés au titre des frais supplémentaires de dépôt bancaire ou de carte de crédit.
- Avant de quitter la salle de vente, chaque acquéreur est prié de prendre réception des formalités prévues au bureau de vente et de verser un acompte total ou proportionnel.

## 6. LIVRAISON/RETRAIT DES LOTS

- Les lots adjugés ne seront libérés qu'après la vente et après paiement intégral.
- Les lots doivent être retirés dans les 5 jours suivant la vente. Un retrait ultérieur peut être possible après accord avec la Maison de Ventes.

## 3. 擊倒/財產

- 該地塊將授予最高出價者。只有在買家全額付款後，才會將拍品交付給買家。
- 擊倒也可能是有條件的。如果被稱為“有條件出售”，則意味著未達到底價。拍賣行將先與賣方協商，然後通知買方其出價是否成功。這可能發生在銷售時或幾天之內。
- 如果兩個或多個競標者之間存在分歧，則可能會再次提供該拍品。
- 一旦投標被接受，將不再接受任何投訴。

關於對買家佣金徵收增值稅的解釋（不是拍賣品的成交價，只是買家佣金）：

- > 向在荷蘭和歐洲註冊的私人買家開立包含增值稅的發票。

# About the Jukebox & Arcade Collections

We proudly present the World's largest Jukebox & Arcade Auction!

This extraordinary auction will feature an unparalleled lineup of rare and iconic jukeboxes, wall boxes, arcade, pinball and vending machines, from Europe's most prestigious collections and store inventories. The various collectors have to sell their entire collections for various reasons down to the last piece. Everything will be sold at this public auction! We summarized more detailed information here below about the collections in this auction;

## The Arts & Memories – Jean-Claude Trauchessec Jukebox Collection

A significant portion of the jukeboxes featured in this auction comes from the extensive inventory of Arts & Memories, the famous jukebox shop in Paris, France. Owned by

Jean-Claude Trauchessec, a well-respected name in the jukebox industry, Arts & Memories was one of Europe's leading jukebox dealerships for over 40 years. As an award-winning distributor for the American jukebox manufacturer Rock-Ola, Jean-Claude built a reputation for his expertise, meticulous restorations, and passion for jukeboxes.

Known for his dynamic personality and dedication to perfection, Jean-Claude was deeply involved in every aspect of his business. Unfortunately, due to health reasons, he has had to retire and close his Paris store. As a result, we are offering the complete shop inventory at auction, presenting an exceptional opportunity for collectors, enthusiasts, and dealers alike.

This collection includes an impressive selection of 45 rpm top-model jukeboxes, some of which remain in their original factory packaging.

Beyond jukeboxes, the auction will also feature various shop décor pieces and selections from Jean-Claude's private collection. As most of these jukeboxes were displayed in the showroom, they are in excellent, fully restored, or even like-new condition.

This is a rare chance to acquire professionally restored, fully functional, and even brand-new jukeboxes from one of Europe's most respected dealers. Don't miss the opportunity to own a piece of jukebox history!

## Peter de Groot Jukebox Collection

Another remarkable collection featured in this auction comes from the Dutch jukebox collector Peter de Groot. His collection includes several rare and sought-after 78 rpm jukeboxes, such as the Rock-Ola Commando, Filben Maestro, Packard Pla-Mor and Manhattan, as well as a stunning Art Deco Wurlitzer Model 716 from 1937.

In addition to these vintage gems, the collection also boasts dozens of beautiful 45 rpm jukeboxes from the 1980s, offering a diverse selection for collectors and enthusiasts.

Due to his plans to emigrate to Spain and his advancing age, Peter de Groot has decided to part with his beloved collection, presenting a unique opportunity for bidders to acquire these exceptional machines at auction.

## The Dutch Wall Box & Vending Collection

One of the most extraordinary and biggest wall box collections in the world is now coming to auction. This collection is the result of a lifetime of passion, precision, and an unrelenting pursuit of the rare and unusual.

It all began with a Rock-Ola 100 jukebox, a gift from a father to his son at the age of 18. That single machine ignited a fascination that would last a lifetime—but jukeboxes were too large to collect in great numbers. Instead, the focus turned to something equally captivating: wall boxes, vintage vending machines, and mechanical gambling devices. From that first jukebox to hundreds of wall boxes, the collection grew steadily over more than four decades.

Not just a collector, but a true craftsman, the owner meticulously restored and repaired every piece with an engineer's precision. His technical skills were unmatched. He built an international network, scouring auctions, fairs, and private collections across Germany, America, and beyond to track down the rarest finds and elusive parts.

Despite the sheer scale of his collection, he remained remarkably humble never sought the spotlight. Now, for the first time, this exceptional, deeply personal collection is being unveiled to the world—giving bidders a chance to own pieces that have been cherished, restored, and preserved with immense dedication.

## The Glenn Roggeman Arcade Collection

Glenn Roggeman, founder and CEO of AED Studios Belgium, has spent decades building his business and owns one of the most impressive arcade machine collections in Europe. This massive collection of rare, fully operational arcade machines—many of which are now nearly impossible to find, is mind blowing!

For the first time, this extraordinary collection is being offered at auction, making it a once-in-a-lifetime opportunity for arcade enthusiasts, collectors, and gaming historians. The lineup includes legendary machines such as the Data East Burger Time, Tatsumi Buggy Boy 3, Dragons Lair II, Sega Heavyweight Champ, Ferrari F355 Triple Screen, and an ultra-rare 1960 Zamperla Bull Strength Tester.

Also featured are some of the most iconic arcade titles in gaming history, including Nintendo's Donkey Kong and Popeye, Midway Mortal Kombat, the Bally Midway Blue Shark and Tron.

Also featured are some of the most iconic arcade titles in gaming history, including Nintendo's Donkey Kong and Popeye, Midway Mortal Kombat, the Bally Midway Blue Shark and Tron.

As Glenn shifts his focus toward a quieter pace in both business and life, every single machine must be sold. This is an unmissable chance to acquire arcade history—from cult classics to mechanical rarities—all in one auction.

With over 600 jukeboxes, wall boxes, arcade, pinball, slot- and vending machines, this auction will break all records! We look forward seeing you at the auction.

COMMANDO JUKEBOX  
WITH TOP SPEAKER BOWL**

1942 Rock-Ola Model 1418 Commando jukebox with top speaker bowl. 20 selections of 78 RPM records. In 1942 Rock-Ola was a prime contractor for production of the M1 carbine for the US Military during World War II. The "Premier", "President" and "Commando" jukebox models were launched on the same year, leading to very limited production numbers. They were also restricted by the lack of metal and plastic and therefore almost all of the panels were made of glass. Due to the size and the fact that they did not look like ordinary jukeboxes with push buttons they were never considered a real success among operators, but nowadays the designs of these jukeboxes are considered to be among the most original and unconventional designs in jukebox history.

### 1979 NICHIBUTSU MOON CRASH ARCADE CABINET WITH MOON CRESTA PCB

1979 Nichibutsu Moon Crash arcade cabinet with Moon Cresta PCB. Nichibutsu released a series of titles beginning with "Moon" of which the iconic Moon Cresta is the best known. This cabinet titled "Moon Crash" comes with a Moon Cresta PCB inside, and as far as we can tell there are no records of a Nichibutsu "Moon Crash" game ever produced. This unusual cabinet, one of at least three known to exist, is most likely a prototype of a game that was never released and therefore released with the Moon Cresta game. Moon Cresta PCB's are usually converted Galaxian PCB's and although they have the appearance of bootleg PCB's, they are in fact licensed Nichibutsu conversions.
