The Pantalone Funeral Home should be called the Pantalone Family Funeral Home because that is how they treated us. Nat first was available to pre-plan with our mother where she selected the casket and explained the process of transporting her body from another state. Upon her death, Kealy explained all the choices available and was patient while I selected three different prayer cards, the type and color of the flowers, and the thank you cards. The funeral home also offered a slide show of all the various pictures the entire family had of our mother. It was very easy to upload the pictures from anywhere. The final product was a beautiful tribute to our mother. After the funeral, Melanie explained all the post needs, and presented the flower cards, mass cards, signature book, and donations, which she collected for us. Their facilities are impeccable. Water is available at all times. A place downstairs offered coffee, water, tables and chairs, and a TV. A patio allowed people to step outside to visit. Even the parking attendants were helpful. They placed any food you brought into the kitchen and placed water in your car. Nat continued to make sure everyone was comfortable and was always available to answer any questions before and throughout the viewing and the funeral. Thank you Nat and your employees for guiding us through the process as if we were a member of your family. - Maureen F.

Pantalone funeral home went above and beyond to help my family during this difficult time. Nat, Melanie, Maureen, and their staff were very thoughtful and compassionate. Their care and concern before, during and even now after the funeral represents how great of a funeral home this is. If I had any questions, they were able to answer them and helped me understand what I needed to take care of. The actually funeral home was absolutely beautiful. I had many people make comments of how wonderful my father looked and how beautiful the funeral home was. Not to mention, the kind care that was given to every vehicle that was parked by their staff. After the funeral the staff brought everything to my house for me. I could not have asked for better support from them especially since this was such a tragic loss.

-Katie F.

Our family was handled with the up most respect and care. They went above and beyond to get our loved one back in time for the memorial service. The staff was so friendly and empathetic. It was such a smooth process.

They were so helpful in one of the most stressful times I've ever gone through. They had answers to questions I didn't even know to ask. All were kind, compassionate and helpful. I wouldn't have known how to even begin with all the paperwork, Melanie walked me through it all. There aren't enough words to thank them all!!

AFTERCARE PROGRAM

After the funeral, as family and friends return to their daily routines, you may find yourself facing a myriad of sudden adjustments and challenges following the loss of a loved one. The emotional weight of grief can feel overwhelming, and navigating the complexities of life without that cherished person can be daunting. At Pantalone Funeral Home, Inc., we understand the profound impact of this transition, and we remain dedicated to supporting you through this difficult time.

To help ease your journey, we offer a range of valuable aftercare services designed to provide comfort and assistance when you need it most. Our services include:

- **What's Next:** We provide information and support on what you will need to do after the death, along with what you will need death certificates for.
- **Assistance with Forms:** We provide thorough support in completing essential paperwork, including Veteran, Life Insurance, Pension, and Social Security forms. Our knowledgeable staff is here to guide you through these processes, alleviating some of the stress during this challenging time.
- **Access to a Lending Library:** Our lending library offers a variety of resources, including books and materials on grief, coping strategies, and healing. We encourage you to explore these resources to find solace and understanding as you navigate your feelings.
- **Creation of Memorial Programs:** We can assist you in designing personalized memorial programs that honor the life and legacy of your loved one. This meaningful tribute can serve as a cherished keepsake for family and friends.
- **Guidance for Counseling and Grief Support:** We recognize that grief can be a complex and isolating experience. Our team is here to help you arrange counseling services and provide information on various resources to help you cope with your emotions. Whether through support groups or individual therapy, we can connect you with the right professionals to assist in your healing journey.
- **Annual Holiday Memorial Program:** In December, as the holiday season approaches, we recognize that this time can bring moments of reflection and sadness as you remember your loved one. To support you during this season, we invite you to honor their memory in a meaningful way. Since 1997, we have hosted our Annual Holiday Memorial Program, where a ceramic angel with your loved one's name inscribed on the ornament will be made in their memory and handed out at the service.

Our exclusive Aftercare program is one of the most compassionate and supportive services a funeral home can offer. We take great pride in delivering the assistance you need at the most difficult times. These relatively unique services are designed to address the emotional and practical challenges that arise after a loss, and Pantalone Funeral Home, Inc. is honored to provide them to you and your family.
