

## 2026 POOL OPENING CONTRACT

**Winter Cover Removal:** Includes removal from pool, folding & storage in designated area.

**Re-Assembly of Filter System:** We will remove winterizing plugs, re-install filter, pump, heater, check fittings and start system (**As long as water is at operating level; mid-skimmer**)

**Chemical Treatment:** Pool water will be shocked and receive an algae treatment, (**Opening Chems are additional, See Below**). We will take a water sample & test in our Computerized Water Analysis Lab. You are invited to our showroom where one of our trained chemical professionals will instruct you on balancing & maintaining your pool.

**Accessory Items:** Ladders and rails will be installed at this time if accessible.
