LITURGY 101

Let's do some basic catechesis to get the big picture of the Liturgy. Try to be extra attentive to these basic descriptions of the Liturgy so that you have a basis for the rest of this book. No, this catechesis is not boring, but it does require some concentration, so ponder this catechesis extra hard.

The Liturgy is an action of both Christ and His Church. In the previous book, we reflected upon how the Scriptures were 100% the work of God as well as 100% the work of the human author. We also acknowledged that Jesus was 100% God and 100% human. The Liturgy is the same way. The Liturgy is 100% the working of God and 100% a work of the Church. It's an action that is joined as if married together and united as one. It's a joint effort of God and His Church!

An Action of God: As an action of God, the Liturgy is especially an action of Christ, the High Priest offering His life for the salvation of the world. This is a key concept to understand! Jesus offered His life on the Cross for the salvation of the world once and for all almost 2000 years ago. That one saving act was His priestly act of atoning for our sins by offering Himself both as the High Priest AND as the Victim. He is the one offering the sacrifice, and He IS the sacrifice He offers.

Role of Jesus the Son: The key to understanding the Liturgy is to realize that the action Jesus did, so long ago, was not just a one-time historical event that we now look back at and are grateful for. Yes, it was a "one-time" historical event, but it is also a perpetual event. That sacrifice of Jesus long ago is an action that transcends all time and permeates all things. This is a deep concept, but it must be understood if we are to understand the Liturgy. You see, with God there is no time. This means that He is able to take this one event that took place within time and apply it to people of every time. And this is accomplished first and foremost within the Sacred Liturgy.

It's as if the Liturgy allows us to enter into a time machine every time we participate. And that time machine transports us to the moments of Christ's Incarnation, His preaching, His death on the Cross and His resurrection all at once! So the Liturgy is, strictly speaking, a "timeless" reality. It transcends all of time, bringing Jesus' saving actions to meet us here and now. The Liturgy, as an action of Christ, is the perpetual "making present" to us His work of salvation: His incarnation, death and resurrection. The Liturgy becomes the vehicle through which all that Jesus accomplished is now transmitted to us. It's the channel of that grace in every day and age. It's the instrument by which we receive that action of Jesus. And, in fact, it IS that one action of Jesus! This Liturgy is God's living action of salvation. Again, this is a great mystery, but we must do all we can to comprehend it as fully as we can. Even if it stretches our brain a bit!

We also want to acknowledge the role of the Father and the Holy Spirit in the Liturgy. To understand this, all we have to do is understand the role of the Father and the Holy Spirit in the original act of salvation that Jesus accomplished.
