

Visalia County Center

**Rotary**

The **Visalia County Center Rotary** Club has supported programs and projects to improve the quality of life in the local and international communities for decades.

The “**Taste of the Wine Country**” event has been a fundraiser in our community for nearly 20 years. Our annual auction held during the event is the primary way our Club raises money to be used for grants and service projects in our community for the following service year.

We have over 100 items available during the silent auction and live auctions include 10-15 unique trips and experiences including hosted dinners, weekend and week stays at private homes in national parks, Hawaii, and along the California Coast.

In addition, \$20 raffle to win jewelry or cash, and a \$100 raffle to win any item from the live auction before it starts!

Sponsorship opportunities are available and we would greatly appreciate your support and attendance to help us and our community.
