THE WOODLANDS

The Visalia County Center Rotary Club has supported programs and projects to improve the quality of life in the local and international communities for many years. The Taste of the Wine Country annual auction is primary way that the Club raises money. This event has been a fundraiser in our community for over fifteen years.

Over 100 items will be available during the silent auction, and exciting trips and prizes can be won during the live auction.

There will be a raffle to win jewelry or cash, and another raffle to win any item from the live auction before it starts!
