25 This matter came before the Honorable Peter Borkon of the Superior Court of the State of
26 California, in and for the County Alameda, Case No. 24CV060637 (the "Action") on July 31,
27 2025, for hearing on the unopposed motion of Plaintiffs Johnathan Vigil and Tamara Casteel

28

FINAL APPROVAL ORDER AND JUDGMENT

1 (“Plaintiffs”) for an order finally approving the Class Action and PAGA Settlement and Release
2 Agreement (“Settlement” or “Agreement”) with Defendant Alaska Airlines, Inc. (“Defendant”).
3 The hearing covered attorneys’ fees and costs, service payments, and the expenses of the
4 Administrator.

5 **I.**

6 **FINDINGS**

7 Based on the oral and written argument and evidence presented in connection with the
8 motion, the Court makes the following findings:

- 9 1. All terms used herein shall have the same meaning as defined in the Agreement.
- 10 2. This Court has jurisdiction over the subject matter of this litigation pending before
11 the Superior Court for the State of California, in and for the County of Alameda, and over all
12 Parties to this litigation, including the Class.
- 13 3. Based on a review of the papers submitted by Plaintiffs and a review of the
14 applicable law, the Court finds that the Gross Settlement Amount of Four Million Five Hundred
15 Thousand Dollars (\$4,500,000) and the terms set forth in the Agreement are fair, reasonable, and
16 adequate.
- 17 4. The Court further finds that the Settlement was the result of arm’s length
18 negotiations conducted after Class Counsel had adequately investigated the claims and became
19 familiar with the strengths and weaknesses of those claims. In particular, the amount of the
20 Settlement, and the assistance of an experienced mediator in the settlement process, among other
21 factors, support the Court’s conclusion that the Settlement is fair, reasonable, and adequate.

22 **Preliminary Approval of the Settlement**

- 23 5. On April 1, 2025, the Court granted preliminary approval of the Settlement. At this
24 same time, the Court approved conditional certification of the Class for settlement purposes only.

25 **Notice to the Class**

- 26 6. In compliance with the Preliminary Approval Order, the Court-approved Class
27 Notice was mailed by first class mail to members of the Class at their last-known addresses on or
28

1 about May 15, 2025. The mailing of the Class Notice to their last-known addresses was the best
2 notice practicable under the circumstances and was reasonably calculated to communicate actual
3 notice of the litigation and the proposed settlement to the Class. The Class Notice given to the
4 Class Members fully and accurately informed the Class Members of all material elements of the
5 proposed Settlement and of their opportunity to object to or comment thereon or to seek exclusion
6 from the Settlement; was valid, due, and sufficient notice to all Class Members; and complied
7 fully with the laws of the State of California, the United States Constitution, due process and other
8 applicable law. The Class Notice fairly and adequately described the Settlement and provided
9 Class Members adequate instructions and a variety of means to obtain additional information.

10 7. The Response Deadline for opting out or submitting written objections to the
11 Settlement was June 30, 2025, which for re-mailings was extended by fourteen (14) days. There
12 was an adequate interval between notice and the deadline to permit Class Members to choose what
13 to do and to act on their decision. A full and fair opportunity has been afforded to the Class
14 Members to participate in this hearing, and all Class Members and other persons wishing to be
15 heard have had a full and fair opportunity to be heard. Class Members also have had a full and
16 fair opportunity to exclude themselves from the proposed Settlement and Class. Accordingly, the
17 Court determines that all Class Members who did not timely and properly submit a request for
18 exclusion are bound by the Settlement and this Final Approval Order and Judgment.

19 **Fairness of the Settlement**

20 8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.*
21 48 Cal.App.4th 1794, 1801 (1996).

22 a. The settlement was reached through arm's-length bargaining between the
23 Parties during an all-day mediation before Hon. James Otero (ret.), a respected and experienced
24 mediator of wage and hour class actions. There has been no collusion between the Parties in
25 reaching the Settlement.

26 b. Plaintiffs and Class Counsel's investigation and discovery have been
27 sufficient to allow the Court and counsel to act intelligently.

1 c. Counsel for both Parties are experienced in similar employment class action
2 litigation. Class Counsel recommended approval of the Agreement.

3 d. The percentage of objectors and requests for exclusion is small. No
4 objections were received. No requests for exclusion were received.

5 e. The participation rate was high. 4,112 Participating Class Members will be
6 mailed a settlement payment, representing 100% of the overall Class.

7 9. The consideration to be given to the Class Members under the terms of the
8 Agreement is fair, reasonable and adequate considering the strengths and weaknesses of the claims
9 asserted in this action and is fair, reasonable and adequate compensation for the release of Class
10 Members' claims, given the uncertainties and significant risks of the litigation and the delays
11 which would ensue from continued prosecution of the action.

12 10. The Agreement is approved as fair, adequate and reasonable and in the best
13 interests of the Class Members.

14 **Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment**

15 11. An award of \$1,500,000 for attorneys' fees, representing one-third of the Gross
16 Settlement Amount, and \$31,501.10 for litigation costs and expenses, is reasonable, in light of the
17 contingent nature of Class Counsel's fee, the hours worked by Class Counsel, and the results
18 achieved by Class Counsel. The requested awards have been supported by Class Counsel's
19 lodestar and billing statement. Attorneys' fees of \$1,350,000 shall be released to Class Counsel,
20 with the remainder to be addressed following the compliance hearing.

21 **Class Representative Service Payments**

22 12. The Agreement provides for Class Representative Service Payments of not more
23 than \$10,000 each to the Plaintiffs, subject to the Court's approval. The Court finds that Class
24 Representative Service Payments in the amount of \$10,000 each to the Plaintiffs are reasonable in
25 light of the risks and burdens undertaken by the Plaintiffs in this litigation and for their time and
26 effort in bringing and prosecuting this matter on behalf of the Class.

27 **Administration Expenses Payment**

13. The Administrator shall calculate and administer the payment to be made to the Class Members, transmit payment for attorneys' fees and costs to Class Counsel, transmit the Class Representative Service Payments to the Plaintiffs, issue all required tax reporting forms, calculate withholdings and perform the other remaining duties set forth in the Agreement. The Administrator has documented \$27,550 in fees and expenses, and this amount is reasonable in light of the work performed by the Administrator.

PAGA Penalties

14. The Agreement provides for PAGA Penalties to be paid from the Gross Settlement Amount in the amount of \$100,000, which shall be allocated \$75,000 to the Labor & Workforce Development Agency (“LWDA”) as the LWDA’s 75% share of the settlement of civil penalties paid under this Agreement pursuant to the PAGA and \$25,000 to be distributed to the Aggrieved Employees as Individual PAGA Payments and allocated based on the number of months in which the Aggrieved Employee was based in California during the PAGA Period and had a flight assignment or unassigned reserve period, compared to the aggregate total number of months in which all Aggrieved Employees were based in California during the PAGA Period and had a flight assignment or unassigned reserve period. “Aggrieved Employees” are all Flight Attendants employed by Alaska Airlines, Inc. and based in the state of California at any time during the PAGA Period (October 3, 2022 through November 21, 2024). Pursuant to Labor Code section 2699, subdivision (1)(2), the LWDA was provided notice of the Agreement and these settlement terms and has not indicated any objection thereto. The Court finds the PAGA Penalties to be reasonable.

II.

ORDERS

Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:

15. The Class is certified for the purposes of settlement only. The Class is defined as follows:

All Flight Attendants employed by Alaska Airlines, Inc. and based in the state of California at any time during the Class Period (October 3, 2019 through November 21, 2024).

9 best interest of the Class. Defendant shall fully fund the Gross Settlement Amount, and also fund

24 submit a copy of this Final Approval Order and Judgment to the LWDA within 10 days after its
25 entry.

26 23. Neither the Agreement nor this Settlement is an admission by Defendant, nor is this
27 Final Approval Order and Judgment a finding, of the validity of any claims in the Action or of any
28

1 wrongdoing by Defendant or that this Action is appropriate for class or representative treatment
2 (other than for settlement purposes). Neither this Final Approval Order and Judgment, the
3 Agreement, nor any document referred to herein, nor any action taken to carry out the Agreement
4 is, may be construed as, or may be used as an admission by or against Defendant of any fault,
5 wrongdoing or liability whatsoever. The entering into or carrying out of the Agreement, and any
6 negotiations or proceedings related thereto, shall not in any event be construed as, or deemed to be
7 evidence of, an admission or concession with regard to the denials or defenses by Defendant.
8 Notwithstanding these restrictions, Defendant may file in the Action or in any other proceeding
9 this Final Approval Order and Judgment, the Agreement, or any other papers and records on file in
10 the Action as evidence of the Settlement to support a defense of *res judicata*, collateral estoppel,
11 release, or other theory of claim or issue preclusion or similar defense as to the Released Class
12 Claims and/or Released PAGA Claims.

13 24. Notice of entry of this Final Approval Order and Judgment shall be given to all
14 Parties by Class Counsel on behalf of Plaintiffs and all Class Members. The Final Approval Order
15 and Judgment shall be posted on the Administrator's website as set forth in the Class Notice to the
16 Class. It shall not be necessary to send notice of entry of this Final Approval Order and Judgment
17 to individual Class Members.

18 25. If the Agreement does not become final and effective in accordance with the terms
19 of the Agreement, then this Final Approval Order and Judgment, and all orders entered in
20 connection herewith, shall be rendered null and void and shall be vacated, and the Parties shall
21 revert to their respective positions as of before entering into the Agreement, and expressly reserve
22 their respective rights regarding the prosecution and defense of this Action, including all available
23 defenses and affirmative defenses, and arguments that any claim in the Action could not be
24 certified as a class action and/or managed as a representative action.

25 **IT IS HEREBY ORDERED, ADJUDICATED AND DECREED THAT:**

26 26. Except as set forth in the Agreement and this Final Approval Order and Judgment,
27 Plaintiffs, and all members of the Class, shall take nothing in the Action.

1 27. All Parties shall bear their own attorneys' fees and costs, except as otherwise
2 provided in the Agreement and in this Final Approval Order and Judgment.

3 28. Effective on the date when Defendant fully funds the entire Gross Settlement
4 Amount and the employer-side payroll taxes owed on the Wage Portion of the Individual Class
