

CLASS ACTION SETTLEMENT SHARE FORM

Dapne Pulido v. Redux LLC

Case Number VRI2304544

Superior Court of the State of California for the County of Riverside

The proposed class action settlement agreement (the “Settlement”) described in the accompanying *Notice of Proposed Class Action Settlement* resolves disputed claims against Defendant Redux LLC (“Defendant”) arising out of its compensation practices during the period from August 29, 2019, through October 11, 2023 (the “Class Period”) as applied to all individuals who are or were employed by Defendant as non-exempt employees in California, and who have not previously settled the Released Claims against Defendant, for claims that accrued during the Class Period (“Class Members”).

You are receiving this form because you are believed to be a Class Member. **According to Defendant’s records, you worked <<MERGED_ClassWW>> workweeks for Defendant during the Class Period. Accordingly, your share of the Settlement is currently estimated to be \$<<MERGED_ClassAward>>,** which is an estimate of your allocated portion the Net Settlement Amount, as that term is defined in the accompanying *Notice of Proposed Class Action Settlement*. Your estimated share of the Settlement may increase depending on factors such as, but not limited to, the number of Class Members who effectively exclude themselves from the Settlement.

You do not need to do anything to receive money under the Settlement.

If you believe the information provided above as to the number of your workweeks is incorrect and wish to dispute it, please contact the Settlement Administrator no later than **December 6, 2024**, at:

If you dispute the information stated above, the information Defendant provided to the Settlement Administrator will control unless you are able to provide documentation that establishes otherwise. Any disputes, along with supporting documentation, must be postmarked no later than **December 6, 2024**.

Do not send originals; documentation sent to the claims administrator will not be returned or preserved.
