Emphasis is placed on style, body alignment, extension, control, uniformity, technical elements, and communication.

POM

A Pom routine contains important characteristics such as strong pom technique (clean, precise and sharp motions), synchronization, visual effects and may incorporate purposeful Pom Elements (i.e. pom passes, jump sequences, leaps/turns, kick lines, etc). Poms should be used throughout the routine. Inadequate use of poms may also affect the panel judges' overall impression and/or score of the routine.
