PHOTO CREDITS: Many photos were taken by Sunrise staff but we always welcome your photos. Many thanks to those that contributed photos to the 2024 Sunrise Vacation Planner.

LATE FALL / EARLY SPRING SEASON

Enjoy the quiet and less crowded times of the year to visit the Northwoods.

The changing of the season from late fall to winter and again from winter to spring brings many recreational opportunities. Those late season lunker Musky await the hearty fishermen. Hunting season is in full swing whether your goal is turkey, grouse, or big game such as deer or bear.

The Thanksgiving weeks comes alive with vacationing families on school break. The traditional Thanksgiving dinner at Sunrise is hugely popular. Most area towns offer special activities Thanksgiving week. (See our package on Page 7 of the Vacation Planner).

Lac Vieux Desert is usually frozen by late November.

Try early season ice fishing, the Snowflake covered rink and the Conover sledding hill.

Cross country ski generally runs from early December until late March. Try our local ski hills: Ski Brule, Powderhorn, Indianhead and Blackjack. Snowmobile trails typically open mid – December.

Christmas at Sunrise can give you a true Northwoods holiday.

Snowmobile, ice fish, enjoy the local shops and activities in our Winter Wonderland.

Early spring brings the transition from snow and ice to glimpses of water and grass. The area waterfalls are at maximum flow. Watching area lakes slowly thaw and become completely open is one of nature's special treats.

This generally occurs between late March and late April. Typically the small, shallow lakes are the first to open. Lac Vieux Desert is generally the first large lake to become ice free.

Late fall and early spring bring many opportunities to observe and identify the many different Northwoods birds. Migrating, seasonal and permanent birds abound. The lack of leaves at these times of year is beneficial for birding. We have both seasonal and permanent bald eagles calling Lac Vieux Desert home.

WINTER SEASON

Winter activities are in full swing immediately following Christmas. Families mark the holiday break by sledding on the Sunrise grounds or Conover hill, skating on Lac Vieux Desert or the Land O' Lakes "Snowflake" rink, snowmobiling, cross country or downhill skiing, ice fishing or just playing in the outdoors.

Enjoy nature in the Northwoods this winter. Snowmobiling, ice fishing, snow shoeing, cross country or downhill skiing dominate the winter activities.

Many visitors combine several activities during their stay.

All units have fireplaces (wood-burning or gas) for relaxing after a day of outdoor fun.

Sunrise offers a WINTERIZED fish cleaning house and access to the groomed snowmobile trails directly from the resort. Nearby you can purchase Michigan trail pass stickers, Michigan & Wisconsin fishing licenses and live bait. Need to rent a snowmobile or find an ice fishing guide? Call us for suggestions and phone numbers.
