

EXCELLENT VALUE: REDUCED PRICE \$75,000

August 18, 2026

Profitable Turnkey Watch Repair & Jewelry Shop

Turnkey watch repair and jewelry shop featuring experienced horologist, tools, and parts.

- Founded in 2000. Over 6,000 customers
- Convenient to Philadelphia, Harrisburg, Lancaster, Dauphin, and Berks Counties
- Real estate available for lease. High-visibility location. Small parking lot. Ample street parking
- Shop: Fully equipped, organized, clean, and well maintained
- Offering: Wristwatches; Pocket watches; Clocks; Women's & Men's Jewelry; Home Décor; Giftables; Home Fragrance; Personalized Gifts; and Watch & Clock Repair

Owner selling to retire. Will stay 12 months after sale to provide horological education with hands on training in clock and watch repairs as well as service calls to private homes for successful transition.

Acquisition Rationale Includes:

- Large customer list (over 6,000) with high percentage of regular, repeat customers.
- Strong walk-in business due to high traffic location.
- \$145,000 estimated acquisition price includes tools, equipment, FFE, and inventory (except Rolex watches).
- Reasonable seller expectations for the offering price and transaction terms.
- Experienced horologist will stay with the business to provide training.

Key Points:

- Asking Price: \$75,000 plus inventory – estimated total acquisition \$145,000 (includes inventory, tools, equipment, and FFE – except Rolex watches)
- 2026 Projected Revenue: \$462,565
- 2026 Adjusted Cash Flow: \$127,000
- Adjusted Cash Flow: \$112,000 (5-Year Weighted Average 2022 – 2026)
- Average Gross Profit Margin: 62% (2022 – 2026)
- Average COGS: 38% (2022 – 2026)
- Sales Growth: 9% growth rate from 2022 to 2026
