

Arc Angel Holiday Project

What is an Arc Angel?

The Arc Lancaster Lebanon, in collaboration with Support Coordination Organizations, distributes holiday gifts, purchased by volunteer Angels, to children and adults with Intellectual and Developmental Disabilities or Autism.

Wishes are received from individuals in Lancaster and Lebanon Counties who may not receive gifts during the holidays due to limited resources or limited family/friend support. Specific gift wishes are passed along to volunteer Angels for purchase, which are returned to The Arc for distribution to our list of individuals in need.

How you can be a part!

- Sign up to purchase gifts for 1 or 2 individuals... or more!
- Purchase 2 to 3 gifts per individual
- Become a business Arc Angel and encourage employee participation
- Give a monetary donation, and we will do the shopping
- Businesses and volunteers will be thanked through social media and print materials
