ABOUT US

OUR MISSION

Empowering people with Intellectual and Developmental Disabilities (IDD) and Autism and their families to lead full, satisfying, independent lives of their choice.

OUR FOCUS

The Arc Lancaster Lebanon assists people with Intellectual and Developmental Disabilities (IDD) and Autism and their families to navigate an often complex system by coming alongside and asking what makes a meaningful life and help identify what is needed to make that life happen.

We believe a person with a disability has equal worth and value, and it benefits our community when people with disabilities are included. We work to counter the stigma that people with IDD come upon daily and help overcome barriers to inclusion and achievement.
