Why Become a Sponsor?

- Addresses social responsibility targeted to hunger relief efforts.
- Identifies your brand with a high profile, widely respected, well known community charity.
- Provides engagement for employees in community activities.
- Demonstrates to your employees and customers that you give where you live and work.
- Provides community integration and positive goodwill.
- Addresses your desire to make an impact in our community.
- Provides essential food support services through a network of more than 200 local community partners.

By standing alongside the Palm Beach County Food Bank, we stand together in a community effort to help feed our hungry neighbors in the fight against hunger.

Your support will help us to continue to support and distribute food to over 200 partner agencies in our community. Because of our sponsors, we are able to procure food and provide it to food pantries and other community partners, receive food donations, and put food on tables.
What our Together We Nourish Partnership will look like:

- Community Impact
- Co-Branded Multichannel Visibility
- Employee Engagement
- Extended Community Reach
