

# COMMUNITY **Challenge**

SPONSORSHIP  
PROSPECTUS  
2026

PRESENTING PARTNER

*In mythology, green embodies life, renewal and growth.  
Gold shines as a symbol of divinity, power and abundance.  
Together, these colours unite to represent prosperity,  
harmony and spiritual enlightenment.*

In 2025 we launched the Club Taree Community Challenge.

In one year alone it has been labelled as 'industry leading', and 'iconic'.

It installed a new way to connect, is already creating a new legacy and is capturing the essence of community connectedness in throughout the Manning Valley.

In our first year we learnt a lot, and we worked hard to build, create and refine a purposeful initiative. but more so we were humbled by the outpouring of support we received from all sectors of our much-loved community, particularly our sponsors.

It is hard to comprehend that a concept built on the back of the end of le Tour de Taree has outgrown what was our biggest legacy. But together we did it.

We are grateful for the support already shown in our commitment to continue the Club Taree Community Challenge beyond its inaugural year, and the excitement this year is already generating continues to warm our hearts and our creative minds.

There is no doubt that last year's incredible fundraising totals had, and will continue to have a positive impact on our community, and for this we are proud.

We are proud of how together we have proven that there is strength in alignment, and that in its simplest form connection builds community.

We once again have some great opportunities to align with our community through the Club Taree Community Challenge.

This year our supported organisations are Headspace Taree, Can Assist Manning Valley and the Club Taree Community Team (soon to be Foundation).

We are grateful for our returning sponsors, and excited by new possibilities of connection.

As always, we are happy to custom build a sponsorship package to suit you.

Paul Allan  
Club Taree CEO

**By supporting the Club Taree Community Challenge, you are helping these worthy causes:**

Can Assist Manning Valley is a local grass roots charity supporting local cancer patients and their families through the distribution of funds raised by our local community.

Can Assist Manning Valley is part of the largest cancer support network in rural and remote NSW, with more than fifty five branches. Each branch is made up of members and volunteers who raise funds to support locals affected by cancer. All money raised local stays local.

Their network raises awareness of inequities facing country people. Their locally based volunteers collaborate with health professionals to understand these challenges, ensuring you have access to cancer treatment and care. By providing financial assistance, practical support and raising awareness of the inequities, their volunteer network ensures that country people are given the same opportunities and treatment choices as those who live in city centres.

Today, Can Assist Manning Valley are committed to making the journey with cancer easier for all Manning Valley residents, they collate grassroots information and patient insights to raise the rural voice and advocate for a better outcome. They work effectively with government and other not for profits, serve on regional health committees and are a trusted source of insight and information. The majority of their funds come from the local community through fundraising efforts, our locals generously support locals.

Each year, one in four young people experience a mental health issue, and 75% of mental health disorders emerge before age 25. Tragically, suicide is still the leading cause of death for young people in Australia. These statistics highlight the urgent need for action. Your support helps us to pilot new and innovative programs to grow our reach and improve the mental health outcomes of young people.

headspace Taree is a good place to talk about your wellbeing, somewhere for young people who need help with mental health, physical health (including sexual health), alcohol and other drugs or work and study support. by providing a range of programs, services and support for young people aged 12 – 25. The support headspace receives from our incredible community helps us achieve our vision - that all young Australians are supported to be mentally healthy and engaged in their communities. We are so grateful for the significant contribution our supporters make to headspace.

The Club Taree Community Team is an initiative focussed on giving back to the community through various charitable and volunteer activities.

Fundraising, Volunteering, Community Engagement, Event Hosting, Sponsorship and Support. By focusing on these activities, the Club Taree Community Team strengthens the community, promotes social responsibility, and enhances the well-being of its members and residents.

Being Stronger Together,  
For A Brighter Tomorrow.
