

Office Hours: Monday - Thursday 8:30 - 5:00, Friday 8:30 - 1:00

## Welcome Dr. Justin Blazejewski

## NEW FACE

Dr. Blazejewski is a general dentist providing comprehensive dental care for adults and children. Dr. Blazejewski completed his undergraduate studies at Michigan State University with a Bachelor of Science in Human Biology and a Master of Science in Biomedical Sciences from Barry University. He received his Doctor of Dental Medicine degree from Nova Southeastern University. He is married to Lauren Blazejewski. They have one son, Bryson. In his free time, he enjoys boating, golfing, snowboarding, CrossFit, softball, or finding the best local food while traveling with his family.

Garrett

Dr. Jennifer  
Mokris

Dr. Justin  
Blazejewski

## Onto New Adventures...

2023 will be Dr. Kitson's 40th year working in the dental profession. Dr. Kitson started as a dental assistant in an orthodontic office. She then became a dental hygienist and worked as a hygienist for 12 years. Dr. Kitson then pursued her dental degree at the University of Florida. She has been a dentist here at Amelia Dental Group since 2000.

As 2023 approaches, Dr. Kitson has formalized her retirement plans. Dr. Kitson is now working on a part time basis and will continue to see patients for general dentistry through the end of 2023. After 2023, Dr. Kitson will limit her treatment to Periodontal Laser procedures, on a part time basis.

Dr. Kitson is looking forward to spending more time with her husband David, traveling on their boat, and having more time for cycling, yoga, piano lessons, and making memories with grandsons Sam and Walker.

The Doctors at Amelia Dental Group went through an extensive search process to find the best dentist to join the practice as Dr. Kitson transitions to retirement. We are pleased to have Dr. Justin Blazejewski as part of our team. See his biography below. We look forward to you meeting Dr. Justin Blazejewski at one of your future dental visits.
