The goods and services shown below are those that we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic professional fee for services of funeral director and staff. If legal or other requirements mean that you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

To Every Family That We Serve

One of the most important responsibilities that we have to each family we serve is to bring your emotional and financial needs together, whatever the situation may be. As part of our consultation with your family, we will discuss which different options we offer to help you with the funeral expenses. Our goal is to ensure that the services and merchandise you choose will fit into your financial situation. Payment arrangements must be discussed and made during the arrangement conference. Payment for all services, merchandise and cash advances are due in full by the day the funeral services are rendered.

ACCEPTABLE METHODS OF PAYMENT ARE AS FOLLOWS:

- Option 1: _____ Pre-Arranged
- Option 2: _____ Cash or Check
- Option 3: _____ Credit Card (Master Card, Visa or Discover)**

THE USE OF AN INSURANCE ASSIGNMENT IS AT MANAGEMENT'S DISCRETION.

Life Insurance Policies are funded and advanced through a Third Party Processing Company. In most cases this can allow the funeral home and the beneficiary to receive insurance proceeds within 3 to 7 days from completion of the claim, subject to approval. The assignment fee is 4% added to the total assigned amount of the funeral contract. Note* Insurance Assignments require the following criteria:

- Original Insurance Policy
- Verification of the Beneficiary
- Verification that the policy is in force
- Verification that the policy is not contestable
- Verification that the policy is assignable to the funeral home
- Verification that there are enough funds to cover the funeral expenses

Insurance assignments may be acceptable if these criteria are met. If the certified death certificate is delayed for any reason, one of the other payment options presented must be in place. Your funeral director will discuss this in detail with you.
