STUDENTS OF THE FORTNIGHT

Congratulations to Kanika and Digby on being our **Students of the Fortnight**. Kanika received her award for always looking out for the younger members of our school. Digby received his award for his dedication to improving and upskilling his writing. Well done to both Kanika and Digby!

END OF TERM

As we head to the end of term, I'd like to thank our lovely community for a great term. We started with our school review, celebrated 100 days of learning and had two cluster days. The grade 2/3 students went to Roses Gap camp, Georgie competed in the Black Ranges athletics, we celebrated Father's Day and Kanika and Penny participated in a local golf tournament. The teachers had some professional learning days, focused on writing, and classroom management. We ended the term with a day at the movies and a special lunch. Thank you again to everyone who helps out during the term, every bit helps and I really appreciate it. Have a safe holiday and we will see you next term.

Buangor Primary School is committed to child safety (Ministerial Order No. 870) and takes all reasonable steps to ensure that the safety of our students is paramount.

Golf

After having some professional lessons with Tony during the term, Kanika, Penny, Charlie and Georgie were selected to play in a golf tournament in Ararat on Monday. Unfortunately Charlie and Georgie did not play. Kanika and Penny played 9 holes, we had some great shots, some missed shots and some Happy Gilmore moments. Well done for qualifying guys and well done Kanika and Penny for your perseverance. Kanika missed out on getting to the next tournament by 1 stroke.

Working Bee Roster

I have discussed with parents about creating a roster for jobs we need doing throughout the year, rather than having a working bee. I will start the roster in October and have a family on each month. I will put the jobs in the newsletter, message the jobs and have a list in the office. Families are alphabetical.

October: Alexander

November: Bognar

December: Buncle

January: Burns

February: Ellis

March: Gregg

April: Hooke

May: Joshi

In Literacy, we have been working on a new program that helps improve our oral and written narrative retell writing. Students are able to retell a story using actions as support and are writing their own versions of stories.

In science, we created our own living things, identified their physical features, habitat and dietary requirements.

Don't forget to check your app for
school announcements.

Happy Birthday to our students celebrating their birthdays over the holidays.

Dear School Community,

Temporary Changes to Trading Hours for School Holidays

With the end of Term 3 quickly approaching, we'd like to advise you that there are changes to the trading hours of all Beleza retail stores during the holiday break. Your local Beleza store will be closed during the first week of holidays.

We'd recommend families check their local store's Google listing to confirm opening hours before visiting a store. As we have multiple Beleza locations across Victoria, we suggest searching "Beleza + Your Suburb Name" to ensure you're getting the most relevant information.

Please note that all stores will be closed From Saturday 20th of September until Sunday 28th of September. We'll return to our usual trading days and hours across all stores from Monday 29th of September, however as our trading days differ from store to store, please check your local store's trading hours.

We'd like to apologise for any inconvenience that these changes may cause, and thank you for your understanding. We hope you all have a safe and enjoyable holiday break!

Kind regards,

Beleza School Uniforms
