Happy Birthday Indie!

STUDENTS OF THE FORTNIGHT

Congratulations to Hugh and Riley on being our **Students of the Fortnight**. Hugh received his award for completing his magazine to an amazing standard. Riley received his award for his improved confidence in the sharing of his reading and writing.

Well done Digby & Henry

Buangor Primary School is committed to child safety (Ministerial Order No. 870) and takes all reasonable steps to ensure that the safety of our students is paramount.

Working Bee Roster

I have discussed with parents about creating a roster for jobs we need doing throughout the year, rather than having a working bee. I will start the roster in October and have a family on each month. I will put the jobs in the newsletter, message the jobs and have a list in the office. Families are alphabetical.

October: Alexander

November: Bognar

December: Buncle

January: Burns

February: Ellis

March: Gregg

April: Hooke

May: Joshi

June: Pitcher

2026 Enrolments

Enrolments are still opened for 2026. If you know of anyone that may be interested in a school tour and some information. Please ask them to contact the school.

Contacting the School

If you need to contact the school, the school phone is 5354 5513 or 0429 388 980. While we endeavour to answer the phone or check messages, these are sometimes missed. If you need a response from someone and do not receive one please call Sally's mobile 0417 070 420.

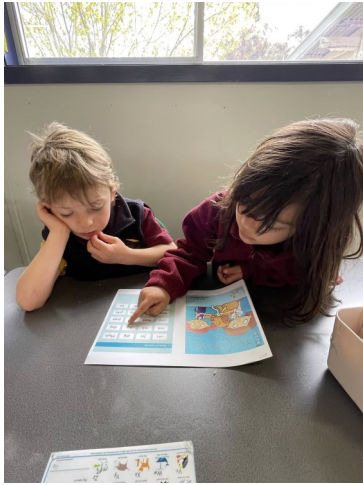

**No Hat,
No Play**

We are a SunSmart school and children not wearing a hat will be required to remain in a designated shaded area at recess, lunchtime and during outdoor class activities.

F-2 CLASSROOM

We were lucky enough to see our classroom chrysalis hatch into beautiful butterflies this week. We also learnt about the life cycle of a butterfly and created our very own life cycle using paper. In science, we also learnt about plants and the life cycle of a plant. We have planted seeds in plastic bags to grow them on the window in our classroom. Fingers crossed, we have some sun soon to help them grow.

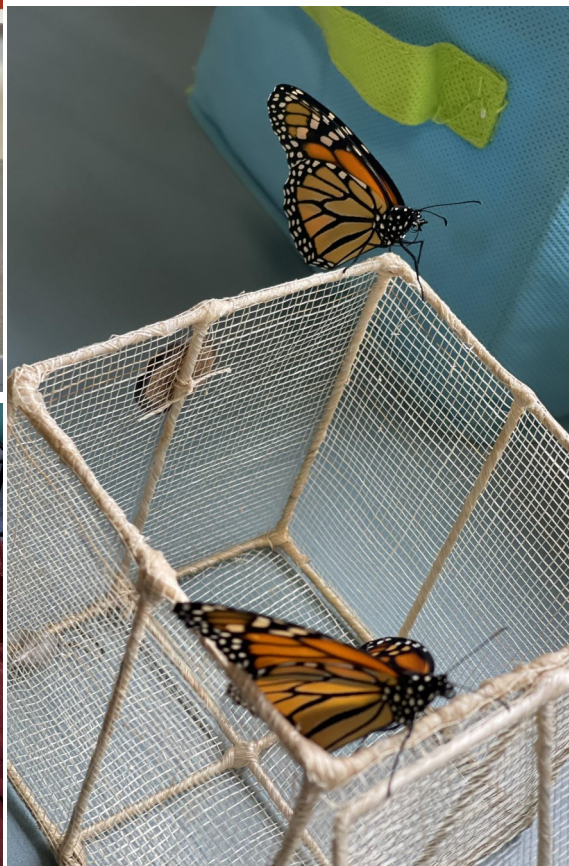

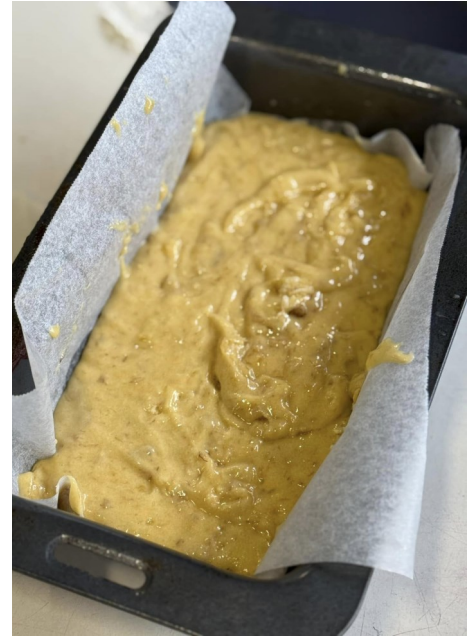

Don't forget to check your app for school announcements.

IN THE CLASSROOM WITH GRADE 3-6

Our first Jackie French book was Earthquake, students concentrated on language, ideas presented in the book and language devices. Our next book is Flood. Students have just about finished their \$20 boss items. These will be sold at the Beaufort Garage Sale on November 8th. In maths, our focus is multiplication, students are quickly earning ninja belts for knowing their times tables. They have been playing multiplication games and learning different strategies for working out multiplication problems. Our play is underway for the concert, the skits are being decided on and the Grade 6 skit has been decided. It's going to be a cracker!! Three of our four butterflies have hatched, it was amazing to see how the chrysalis changed and the beautiful butterfly that emerged.
