Fostering Learning For Life

*SELF-IMPROVEMENT * INTEGRITY * EXCELLENCE*

NEWSLETTER 7th August 2025 Term 3 Week 3 Issue 13

STUDENTS OF THE FORTNIGHT

Congratulations to Henry Hooke and Marlie Pitcher on being our **Students of the Fortnight**. Henry received his award for taking ownership for his own learning. Marlie received her award for helping her school friends without being asked. Well done to both Henry and Marlie!

CLUSTER DAYS

We have two planned cluster days this term. The first will be on August 15th at Willaura. This will be a dress up day (either a book character or something science related). The next day will be August 18th at Moyston, which will be a Landcare day (casual clothes).

2026 ENROLMENTS

Enrolments are still opened for 2026. If you know of anyone that may be interested in a school tour and some information. Please ask them to contact the school.

CURRICULUM DAY

Don't forget our next student free day is September 9th. We will be heading down to Ballarat for a workshop on classroom behaviour.

ROSES GAP CAMP

Grade 2-3 have a camp at Roses Gap (Sept 3rd – 5th). Details have been sent home and permission forms are on uEducateUS. If you have any questions about the camp, please let me know.

CONTACTING THE SCHOOL

If you need to contact the school, the school phone is 5354 5513 or 0429 388 980. While we endeavour to answer the phone or check messages, these are sometimes missed. If you need a response from someone and do not receive one please call Sally's mobile 0417 070 420.

Buangor Primary School is committed to child safety (Ministerial Order No. 870) and takes all reasonable steps to ensure that the safety of our students is paramount.

F-2 CLASSROOM

The F-2 children have been working hard on their maths fluency, particularly with partitioning numbers. They have been given Ninja number sliders, which they use each day to practice before being assessed by the teacher. If the student is successful, they receive a certificate for the corresponding ninja belt.

In science, we have started learning about living things. Our trip to the Ballarat Wildlife Park has helped spark our curiosity about animals, and the children are ready to learn more about their special features.

IN THE CLASSROOM WITH GRADE 3-6

Over the past fortnight in the Grade 3-6 room, we have continued to plan and draft magazines, ready to publish. Students decided how many features their magazines needed and have a checklist to ensure they don't forget anything. We have started with a new maths program, which has proven to be more engaging and targeted to each student's needs. Our \$20 boss is rocking along, letters have been sent out, donations requested, olives picked (one project) and decisions made. We aim to have our market stall at the September market in Ararat or Beaufort. Our science unit on living and non-living things is coming to an end and we will start on rocks, minerals and soils. Geography is about similarities and differences between places. We are studying Storm Boy and our read for pleasure novel is The One and Only Ivan (both chosen by the students).

100 Days of School

COOKING

Happy Birthday to our students
celebrating their birthdays this
month.

Charlie Gregg - 10th August

Kanika Stabbins- 31st August

We hope you both enjoy your special
day!
