Campbell opened the 2026 budget hearing for public comment. Hearing none, Williams made a motion to close the hearing. Huffman seconded. The motion passed.

SHERIFF – CHANGE TO PENSION PLAN

Sheriff Baugh had submitted paperwork to the board prior to the meeting for review. Baugh gave a synopsis of the proposed changes. The changes would save taxpayer money; this is not an increase in cost to the county. This was brought to him by a representative of the deputies. Wallace made the motion to approve. Brown seconded. The motion passed.

E911 SALARY ORDINANCE CHANGE REQUEST

Director Clodfelter currently has two supervisors and three senior dispatchers approved by the Council in the 2025 salary ordinance. He does not currently have anyone in the two supervisor positions. The employees on staff capable of the position, do not want it. The other employees are new and on probationary period. He is not asking for any funds, he wants to just leave the two supervisor positions open and instead of three senior dispatchers have four. Once employees are through the probationary period and prove capable, he will eliminate the fourth senior dispatcher position and fill the two supervisor positions. Auditor Berish stated this was only to clean up the salary ordinance, not asking for any increases in money to the budget. Huffman made the motion to approve. Brown seconded. The motion passed.
