

How Self-Employed Leaflet Distribution Works

We act much like a temping agency offering work to you as it comes in on an availability basis. We contact you offering work for a day or number of days. Based on how many homes you have indicated you can deliver to in a day.

You will be told the postcode area and number of leaflets for each house and the price per 1,000 houses delivered to. You can accept or refuse the job.

What if I can do some days but not the whole job?

With certain drops we can split it and offer you the days you are available – please note this is not possible on all jobs.

How much do I get paid?

We pay per 1,000 houses with up to a maximum of 4 leaflets per house.

1 Leaflet = £48 per 1,000

2 Leaflets = £55 per 1,000

3 Leaflets = £60 per 1,000

4 Leaflets = £65 per 1,000

On average it takes between 5-7 hours to deliver to 1,000 houses.

How do I get the leaflets?

You must have access to transport and can collect the leaflets from our location:

Rayners Lane, Pinner, HA5 5EH.

When do I have to start?

When you have committed to the job and collected the leaflets the job must be started within 48hrs (we may confirm the job a week in advance of collection). We inform the client the job is starting therefore this rule must be enforced as the client can monitor the tracking.

How will I be monitored?

You will be issued with a real-time Live GPS tracker that we use to monitor progress. This tracker information is also given to the client who may come and observe the distribution in progress.

Once I have started the job how long do I have to complete it?

Like any temping contract, the job will need to be completed within a sensible timeframe and we expect you to only take the job if you can complete it as discussed when accepting e.g., if you commit to distribute of 3,000 homes at 500 a day then we would expect it to be completed within a maximum of 6 days (weather permitting)

What if I do not complete it within the allocated days?

When you accept the job, you sign a contract to confirm your commitment. We will try to tailor the work around you so will try and only give you work that you can manage.

What if I have trouble with the area or am ill?

Let us know immediately as we can reallocate the job to another distributor if you are finding the job difficult or become ill.

What if I finish sooner?

Great! Let us know and we may have more work for you!

Do I distribute to flats and No Junk Mail addresses?

Yes! We do not consider our clients leaflets as junk and as we generally only deliver local businesses, we believe we are supporting local companies.

Flats should be delivered to where possible. We appreciate that large blocks have restricted access, so it is not always possible to deliver to them. However, most have certain times when you can deliver (access is often only possible early mornings), – all we ask is that you do your best and attempt delivery.

Your will be given a paid trial.
