## *President's Message*

It brings me great pleasure to have the opportunity to serve as your president for the society. I want to first start with thanking Cody Frye, the past president, for the amazing job she did and serving as your president. I also want to thank the board of directors, central office and the many volunteers that made the society as successful as it has been.

We have recently consolidated the board of directors to a smaller working group and reconfigured the different working groups to work more effectively. It is our goal to increase our membership but more importantly, deliver more for the members. We are looking into the possibility of adding more CME opportunities throughout the year in addition to our fall virtual meeting and our spring in-person meeting. We are also looking to redesign and add more content area on our website for our members.

Our members make this society what it is so please contact us at [centraloffice@ncus.org](mailto:centraloffice@ncus.org) if you have any ideas or suggestions to improve our society. I also encourage you to volunteer and be part of this society. There are many ways you can do this by serving in various positions or just being part of a small working group.

Richard A. Palma BS, ACS, RCCS, RCS, RDCS, FACVP, FSDMS, FASE

# *Spring Symposium 2025*

Were you there?! March 21st-23rd 2025 at the Embassy Suites by Hilton Myrtle Beach Oceanfront Resort, North Carolina Ultrasound Society hosted our 44<sup>th</sup> annual Spring Symposium! CMEs, networking, and QUIZBOWL pictured here. Thank you to our members and vendors for a fantastic weekend!
