

AUTOMOTIVE EXCELLENCE REIMAGINED

# THE BENCHMARK IN SURFACE ENGINEERING.

MKTech Industry Sdn Bhd

MALAYSIA |  
STRATEGIC EDITION

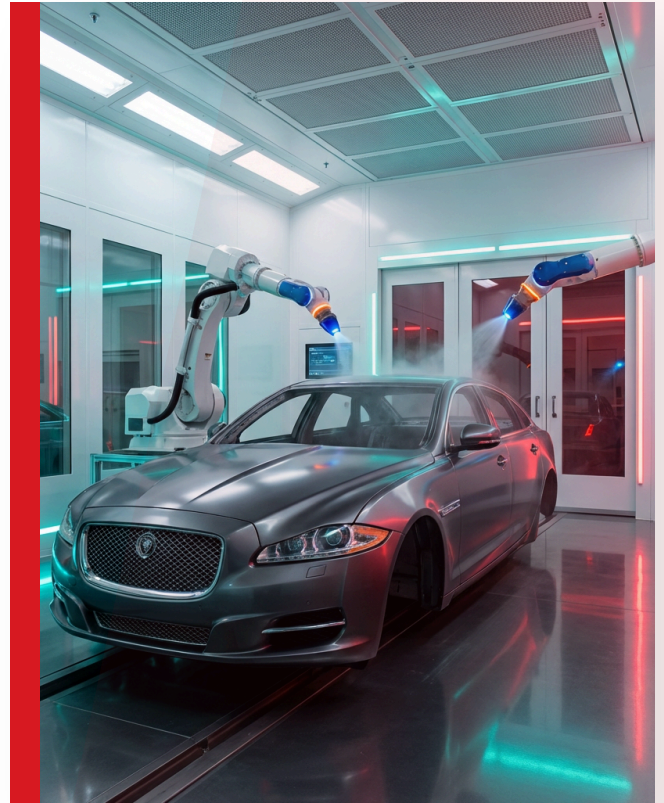

2026

## 01 STRATEGIC OVERSPRAY MANAGEMENT

# INTEGRATED SPRAY SYSTEMS.

MKTECH delivers a synergistic approach to automotive coating, combining **Sia Abrasives** for world-class surface preparation with the global benchmark in overspray management: **Andreae Filtration**. This integrated solution is the cornerstone of Malaysia's leading robotic spray environments, ensuring uninterrupted throughput and pristine finishes.

## ANDRAE ORIGINAL SYSTEMS

**Primary Function** High-Efficiency Overspray Capture

**Technology** Patented Inertia Separation

**Operational Gain** Reduced Maintenance Downtime

## SIA 1950 SIASPEED

**Strategic Sanding** Premium P-Grade Abrasives

**Process Integration** Robotic & Manual Application

ENGINEERING PROCESS INNOVATION

THE GLOBAL MANDATE  
FOR AUTOMOTIVE  
OVERSPRAY FILTRATION

## 02 ARTISANAL PRECISION

# THE DEFINITE TOUCH.

In an era of full automation, artisanal inspection and precision manual touch-ups remain the hallmark of quality. MKTECH provides the ergonomic specialized consumables necessary for a flawless, world-class finish.

## PREMIUM CONSUMABLES

<b>Microfiber Systems</b>	Lint-Free Performance
<b>Surface Management</b>	Anti-static Dust Capture
<b>Finishing Media</b>	Engineered Polishing Pads

# 15+

Years of Unrivaled Expertise in the Malaysian Industrial Landscape

## 03 HEAVY MACHINING & FABRICATION

# ENGINE & POWERTRAIN.

Through strategic global partnerships with industry leaders like Lukas-Erzett, MKTECH delivers unrivaled precision in tungsten carbide tooling and integrated grinding solutions for high-performance powertrain manufacturing and chassis fabrication.

---

**Lukas-Erzett** Tungsten Carbide Tooling

---

**NRS Sigma** Thermal-Controlled Grinding

---

**Andreae Filtration** High-Performance Booth Systems

---

## STRATEGIC SUPPORT NETWORK

KL | SELANGOR | KEDAH | PERAK | MELAKA | JOHOR

MKTech Industry Sdn Bhd

# STRATEGIC FILTRATION EXCELLENCE.

As the authorized hub for **Andrae Filtration** in Malaysia, MKTECH provides the mission-critical overspray management solutions that power the nation's leading automotive manufacturing lines.

## STRATEGIC SUPPORT

**Direct Office:** +603 5626 4639

**Project Lead:** +6013 886 8248
