

RootRx™

STIMULATES ROOT GROWTH
& METABOLISM

Guaranteed Analysis (0-0-5)

Soluble Potash (K_2O)5%
Derived from potassium hydroxide.

General Information

RootRx™ is a botanical extract product that contains 5% potassium. **RootRx™** contains proprietary soluble carbon compounds that improve antioxidant production and stimulate root growth & metabolism. **RootRx™** reduces abiotic stress by increasing root quality and quantity, resulting in improved soil health.

Product Usage

Abiotic Stress Defense	Apply 0.25-1.5 gal./acre as a soil application every 1 to 4 weeks.
Root Growth	Apply 0.25-1.5 gal./acre as a soil application every 1 to 4 weeks.
Soil Health	Apply 0.25-1.5 gal./acre as a soil application every 1 to 4 weeks.
Transplant	Apply 0.125-0.5 gal./acre as a soil application at transplant.
Emergence	Apply 0.125-0.5 gal./acre as a soil application at planting.

RootRx™

& METABOLISM

RootRx™ Handling Guidelines

PREMIXING

- Premixing is considered a best practice when sprayer agitation is not optimum. Proper hydration is essential for all applications. Recirculate or agitate while adding material.

COMPATIBILITY

- Always jar test first.
- Redox products are compatible with other Redox products when following product handling guidelines.
- Use caution with reactive materials, such as phosphorus and calcium.
- Avoid extreme shifts in tank pH. When utilizing Redox materials that acidify, check tank pH prior to adding buffers.

TANK MIXING

- Use of an anti-foaming agent is recommended. Fill the tank 50% full with water and initiate tank agitation prior to adding materials.
- Don't add material too quickly—this allows for more thorough hydration.
- The use of inductor assemblies is encouraged.
- Recirculate or agitate while adding material.
- Total foliar spray content of dry soluble Redox product should not exceed 2% solution (by weight).
- If material is not applied immediately, tank recirculation is required prior to application to ensure uniform product distribution.

REFER TO PRODUCT HANDLING GUIDELINES FOR ADDITIONAL MIXING INSTRUCTIONS.
