

Seeds of FAITH

What is Seeds of Faith?

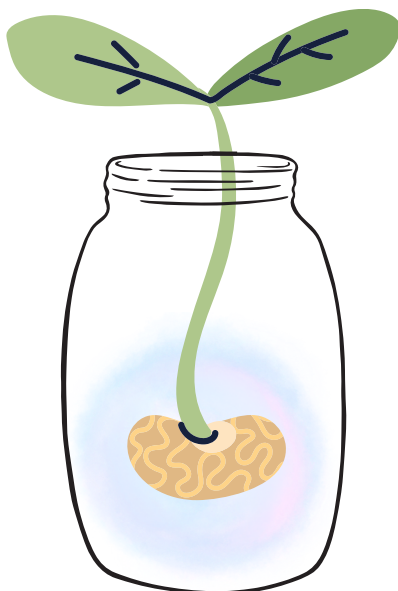

Seeds of Faith is a family-based program that helps parents nurture faith from the very beginning of a child's life. Families with children from birth-1st grade are invited to join us once a month for prayer, faith-based activities, and community!

All are Welcome!

Wherever you're at in your family's faith journey, Seeds of Faith is for you! No experience needed—just a willing heart and a desire to grow in faith together.

Faith at Home

Each month you'll receive a **menu of fun, easy activities** to explore that month's theme at home. These **low- or no-prep** options are designed to make growing in faith feel natural and doable in everyday life.
