We are an independent charity affiliated to Royal Mencap and are self-funding.

We have worked hard to make our services efficient and really focused on the person. We have a strong business model that is sustainable and diverse. Our work has expanded and we are trying new things and ideas across the entire organisation, while keeping everything we do focused on meeting the diverse needs of the people we support. We currently employ 150 staff, have over 60 volunteers and provide support and services to over 500 people with learning disabilities and their families.
