AMY *P* KELLY
THE POWER IS ON THE INSIDE

Best-Selling Author | Speaker | Facilitator

About Amy

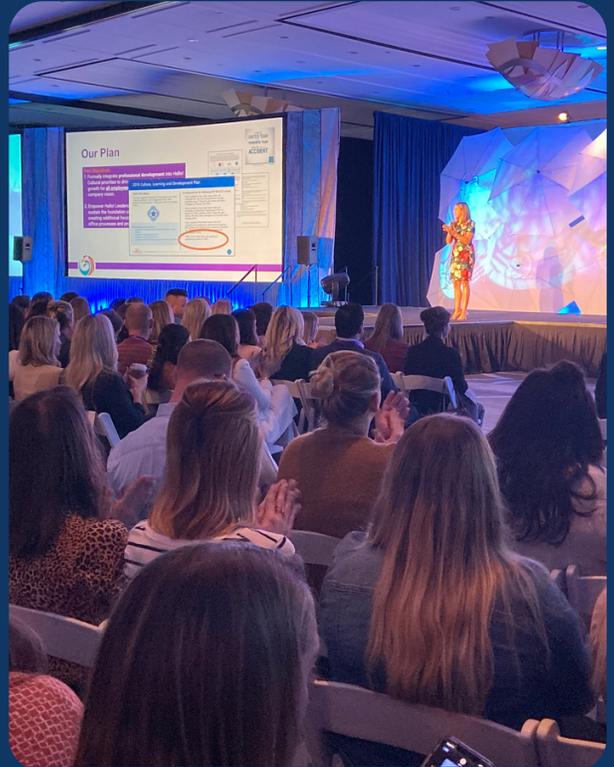

Amy believes in people and helps them grow. The "P" in her name stands for her middle name she received from her grandmother Pauline and symbolizes the power on the inside of each person to fulfill their purpose.

Amy is the Vice President of Consulting for The Jon Gordon Companies and co-author of *Difficult Conversations Don't Have to Be Difficult* and *The Energy Bus Field Guide* a roadmap to fueling your life, work, and team with positive energy. Amy is a global human resources and talent development executive known for building exceptional talent and cultures, including award-winning employment brands and leadership development programs. As Vice President of HR, she led the HR and talent development function as part of executive teams completing the successful sale of two enterprise technology distribution companies. She is a global facilitator for the Association for Talent Development ATD in the areas of Improving Human Performance, Change Management, Human Performance Improvement, and Training. Amy is a Gallup Strengths Trained Coach and certified in leadership and EQ programs.

What to Expect

Her work is focused on growth and optimal performance for individuals, teams, and organizations. Amy designs and implements change management programs & leadership well-being programs and is the co-creator of the Leading Well leadership program, a holistic, systems thinking approach to the practice of effective leadership and personal wellness.
