

Chico High Sober Grad Night

February 5, 2026

Dear Community and Business Members,

The parents of the **Chico High School Class of 2026** are fully engaged in coordinating the Safe and Sober Grad Night event, which will be held after graduation on June 5, 2026. Thanks to incredible community support, the Sober Grad Night for the Class of 2025 was a fantastic success! We're excited to build on that momentum and organize an even better event for the Class of 2026.

Sober Grad Night is not a school sponsored event, rather it depends on the generous donations from businesses and community members like you.

Your generous contributions make Sober Grad Night a reality. By funding an amazing, all-night celebration, you are directly ensuring our graduates have a safe alternative to unsupervised gatherings where alcohol is often present. **Donors like you are the reason for this event's life-saving success.** Thank you for your support in transforming a venue into a spectacular, once-in-a-lifetime celebration that provides a safe space for all Chico High Seniors. Together, we can create an unforgettable night for the Class of 2026!

This event can only happen with your support!

As a thank you for your generous tax-deductible donation we will recognize you as a sponsor of Chico High Sober Grad Night. CHICO HIGH SCHOOL SOBER GRAD NIGHT

According to The National Highway Traffic Safety Administration, traffic collisions are the leading cause of death among teenagers in America. Nationally, approximately 5,000 teens lose their lives in automobile collisions, with around ten percent of these tragedies occurring in California alone. Our mission is to ensure all graduating seniors spend their graduation night in a secure, alcohol-free environment.
