

Grants 4 Native Plants – Action Plan 2026

Please complete this Action Plan after meeting with your mentor, then send to grants@tnps.org.

Location of planting area relative to school? _____

Is the area to be planted barren, lawn, shrubby, or wooded? _____

Will invasives need to be removed before planting? _____

Are tools available for student use? _____

What is the source for native plants? _____

Approximate date for planting _____

Describe the maintenance plan for the plants during the school year _____

Describe the maintenance plan for school vacation times _____

I understand that:

- (1) **grant monies will not be received** until this Action Plan is completed and submitted,
- (2) the grant is to be used to purchase Tennessee native plants and supplies to plant them,
- (3) the plants are for students to use in conjunction with hands-on lessons, and
- (4) some maintenance is required the first year or two while the plants become established, thus making best use of the grant funds provided.

Signature of person receiving grant _____

Printed name and date _____

Mentor's signature _____

Printed name and date _____
