### **Important Information Regarding Monthly Dues and Payment Options**

Please be advised that your monthly dues are scheduled for payment on the 1st of each month. To ensure your account remains in good standing and to avoid late fees, please review the payment methods listed below and select the option that best suits your needs.

#### **1. Online Portal (Convenient, but includes fees)**

You may set up automatic payments through your Resident Portal. Please note that the payment software charges the following processing fees, which are outside of our control:

- **Credit Card:** 2.99%
- **Debit Card:** \$9.99
- **eCheck (ACH):** \$2.49

#### **2. Direct Payment (No fee)**

To avoid processing fees, you may mail a check or drop off cash/check at our office. For your convenience, we also have a **secure dropbox** located outside our office entrance.

#### **3. Bank Bill Pay (No fee, Automated)**

Many of our homeowners prefer using their bank's **Bill Pay** service. This allows you to schedule automatic payments where your bank mails a physical check to us on your behalf. To set this up, use the following payee information:

**Account Number Note:** If your bank requires an account number, you may use your **house number** or **street address**. Because the physical check will include your name, this "account number" simply serves as an additional reference for our team to ensure the funds are applied to the correct property.
