THE 2022 MARKET AT GRAYCLIFF SPONSORSHIP

Background

Graycliff, the Frank Lloyd Wright-designed summer home of Isabelle and Darwin Martin, is pleased to announce the dates of the sixth annual Market at Graycliff which will be held on Thursdays in August and September. Opening day for the Market is Thursday, **August 4, 2022** and ending on Thursday, **September 15, 2022**. For 2022, the hours are from **5:00 to 8:00 pm**, rain or shine. This year the Market will be concentrated on Graycliff's historic tennis court, with vendors also set up along the historic approach to the houses.

It took a grassroots effort to get Graycliff to where it is today. In 1997 the Graycliff Conservancy was founded by a group of thirty individuals who were determined not to let the beautiful Martin summer home be torn down and replaced with townhouses. Graycliff has come a long way in the past twenty-five years.

In 2018, Graycliff set its sights on engaging the local community with the Market at Graycliff, a weekly farmers and artisan market, again continuing with the grassroots approach. Since that time thousands of visitors have visited the Market, enjoyed the grounds, and toured the house.

The past few years were challenging, but the Market continued, providing an opportunity to support local farmers and artisans while being surrounded by the sights and sounds of Graycliff.

There's a new focus and new energy to the 2022 Market at Graycliff. Past vendors are returning, new ones are being sought, a music component will be further developed, and space will once again be offered to non-profits.

You're invited to be a part of it!
