Fall Edition 2026

THE PUMPKIN PRAYER

Dear God,

Open my mind so I can learn about You.
(CUT OPEN THE TOP OF THE PUMPKIN)

Forgive me for my sins and for the wrong things I do.
(CLEAN OUT THE INSIDE OF THE PUMPKIN)

Open my eyes so Your love I will see.
(CUT THE EYES OUT IN HEART SHAPES)

I'm learning to be thankful for all You've given me.
(CUT A NOSE IN THE SHAPE OF A CROSS)

Open my ears so Your word I will hear.
(CUT THE EARS TO REPRESENT THE BIBLE - RECTANGLE SHAPES)

Open my mouth so I can tell others You are near.
(CUT THE MOUTH IN THE SHAPE OF A FISH)

Let Your light shine in all I say and do!
(PLACE A CANDLE INSIDE AND LIGHT IT!)

AMEN!

Candle Blessing

God who created pumpkins and people,
bless our beautiful Halloween light.
This light reminds us that Jesus is the light of the world.

Jesus shines through the darkness
and turns the night into day, sadness into joy,
hate into love and tears into smiles.

Bless the candles that we hold
Let them be a reminder that we are your candles
lighting up the smiles and hearts of our friends and family.

Bless the happy pumpkins we will carve for our candles,
that everyone who sees them might never be afraid of
the darkness because your wonderful light is with us.

Bless your jack o'lantern candles &
let them shine Christ's light in your home!

At DSCS all of our classrooms focus on the Catholic Social Teaching Principles. We would like to highlight one or two of the principles in each issue.

Catholic Social Teaching Principles: Life and Dignity of the Human Person

The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching. We believe that every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.

One way you can help protect the dignity of the human person is to donate to the

Socktober Event!

Everyone deserves warm feet.

Donations due by the end of October. Socks can be dropped off at church or school.

Another way to protect the human dignity of all people is to ensure that they have food to eat! Donate to our monthly food collection to help those in need!

Life is Worth Living: The Legacy of Blessed Fulton Sheen

Long before modern streaming, an American bishop captured the hearts of millions through television. Fulton J. Sheen was a pioneering media personality, author, and priest who changed how the world viewed faith in the 20th century.

In 1952, he launched his hit TV program, *Life is Worth Living*. Using just a chalkboard, his quick wit, and deep insights, Sheen drew millions of weekly viewers and won an Emmy Award in 1953.

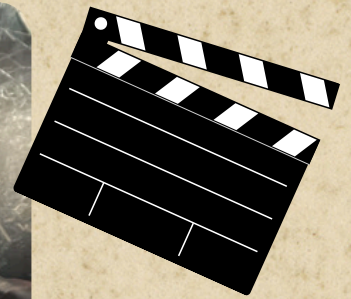

Beyond his fame, Sheen was a man of deep prayer. For 60 years, he spent an hour in quiet prayer every single day. He also wrote over 60 books, including the famous classic *Life of Christ*. Sheen passed away in 1979 and was recently beatified by the Catholic Church.

Today, his timeless message continues to inspire us. As he famously said: "Moral principles do not depend on a majority vote. Wrong is wrong, even if everybody is wrong. Right is right, even if nobody is right."

MOVIE RECOMMENDATION

From Alejandro Monteverde, award-winning director of *Sound of Freedom*, comes the powerful epic of Francesca Cabrini, an Italian immigrant who arrives in New York City in 1889 and is greeted by disease, crime, and impoverished children. Cabrini sets off on a daring mission to convince the hostile mayor to secure housing and healthcare for society's most vulnerable. With broken English and poor health, Cabrini builds an empire of hope unlike anything the world had ever seen.

Growing Grateful Hearts

Gratitude is a beautiful gift we can nurture in our children. As parents, we can help them recognize the many blessings God has placed in their lives and teach them to give thanks for both the big and little things.

Look for simple opportunities to practice gratitude—saying grace before meals, thanking God at bedtime, naming things you are thankful for, or encouraging your children to serve and help others. Most importantly, let them see you expressing gratitude in your own life. When we teach our children to pause, recognize their blessings, and thank God, we help them develop hearts that are joyful, generous, and rooted in faith.

HAPPY
THANKS
GIVING

Be sure to watch the Blessed Episode with your children. Ben brings the story of the ten lepers to life to remind us to never put off important things—like thanking God for his fabulous blessings.
