Catholic Social Responsibility

As Catholic school educators in the Archdiocese of Milwaukee, participating in the evangelizing mission of the Church, we are committed to the following Guiding Principles in our efforts to teach all students to understand their responsibility to act as disciples of Jesus Christ, especially within the context of contemporary social challenges. At DSCS, we take this mission very seriously. Use the link below to learn more about Catholic Social Teaching.

Beautiful St. Rose

ST. ROSE OF LIMA

23 AUGUST

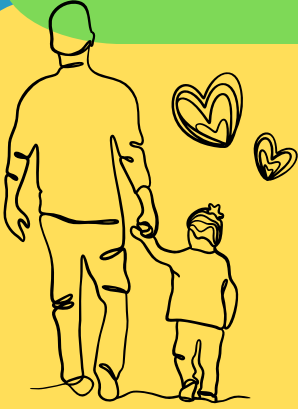

St. Rose of Lima and Her Wishing Well

St. Rose of Lima, whose feast day is celebrated on August 23 (August 30th in Peru), was the first person from the Americas to be canonized as a saint. Known for her deep faith, humility, and devotion to helping the poor, she dedicated her life to prayer and serving others. At her shrine in Lima, Peru, visitors can see the famous wishing well where, according to tradition, St. Rose threw the key to a chain she wore as an act of devotion. On her feast day, pilgrims visit the shrine to honor her life, pray for her intercession, and add their prayers to the well, continuing a beloved tradition associated with this inspiring saint.
