Introductions to Sunday Readings: by Bishop Ken Untener, in collaboration with Catherine Haven & Fr. Bill Taylor

First Reading - Jeremiah 20:10-13

The prophet Jeremiah lived about 600 years before Christ. He prophesied that Israel, because of its unfaithfulness to God, would be defeated by Babylon. When this began to happen, many of his friends and neighbors denounced him as a traitor and turned on him.

Second Reading - Romans 5:12-15

Paul's letter to the Romans is his most detailed and important theological work. His purpose in this passage is not to teach about original sin, but to contrast Adam and Christ. From Adam we inherited a strong pull toward sin. From Christ (the "new Adam") we received a gift that is incomparably stronger: Divine grace.
